	<u>For some time now, unfortunately, there has been a lot of talk about war and terrorism however, it is not always clear what is meant by these terms. People probably think of very different things as well.</u>	
	<u>For example, what do you mean by terrorism and war?</u>	
	<u>Below we have listed some facts that we might find in the newspapers. As you will see, these are facts that often occur in the various emergency situations that have erupted in recent years in the Middle East. Could you indicate whether each of these actions, in your opinion, falls more under what you mean by war or more under what you mean by terrorism? That is, how close is each particular action to your idea of war or terrorism? Express your opinion by marking a check mark more or less close to one of the two alternatives (from 1 = "war" to 7 = "terrorism"). Remember that the questionnaire will remain anonymous.</u>
