The data set was generated within the research project *Constructing Active Citizenship with European Youth: Policies, Practices, Challenges and Solutions* funded by European Union, Horizon 2020 Programme <http://www.catcheyou.eu>
Grant Agreement No 649538

The file was generated through IBM SPSS software. Discrete missing values: 88; 99.

The final working dataset was created applying these specific filters:

- excluding participants who were younger than 14 years old, older than 30 years old, or with the age information missing;
- excluding questionnaires with a high number of missing answers (i.e., that did not start to complete other than sociodemographic items) and/or without a clear response pattern.
