- 1 Nvivo files in NVP format

PLUS_6A_PLUS.WP2 Qualitative analysis of platform labor in Bologna_Nvivo_20220110

Data set Documentation

This set contains materials from PLUS project field work analysis on platform labour in Bologna. In particular, there are qualitative interviews to Airbnb, Helpling and Deliveroo workers. The same interviews have been coded with Nvivo software and analyzed. Moreover, a final focus group with platform workers had been organized to validate the results of the investigation.

The interviews and the Nvivo document have been anonymized and stored in open access. The notes from the focus group are under restrictions because of the impossibility to fully anonymize them and accessible only for the research team.

Content of the files

“PLUS_6A_PLUS.WP2 Qualitative analysis of platform labor in Bologna_PLATFORMNAME+NR_20220110.pdf” files contain the transcriptions of interviews with Deliveroo, Helpling or Airbnb workers.

“PLUS_6A_PLUS.WP2 Qualitative analysis of platform labor in Bologna_Nvivo_20220110” file contains the codification of the interviews with Nvivo software.

“PLUS_6A_PLUS.WP2 Qualitative analysis of platform labor in Bologna_FG_20220110” file contains the transcription of the focus group with platform workers.
