

THE ADVENTURES OF

TERRIX

MISSION SUSTAINABILIA!

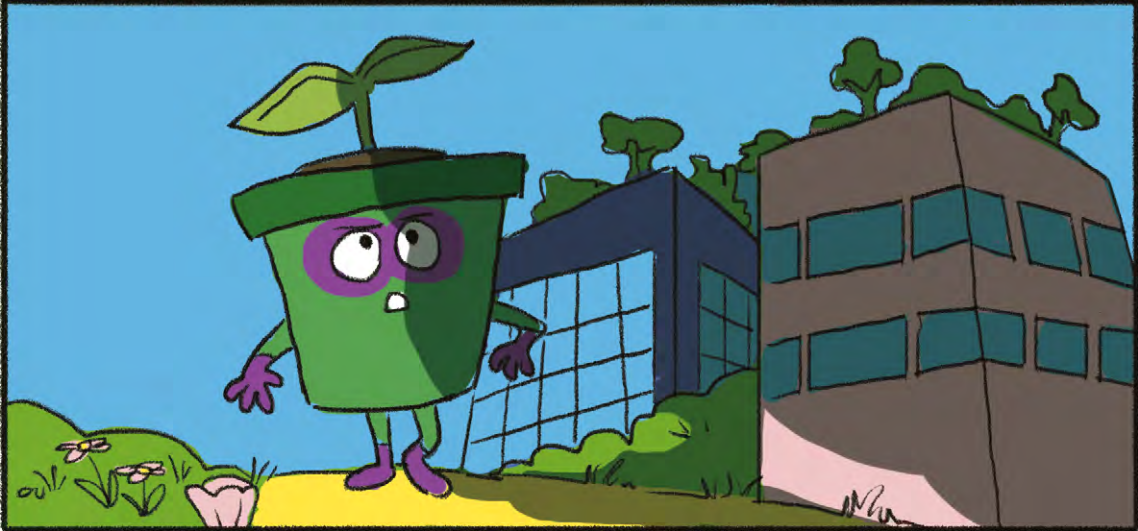

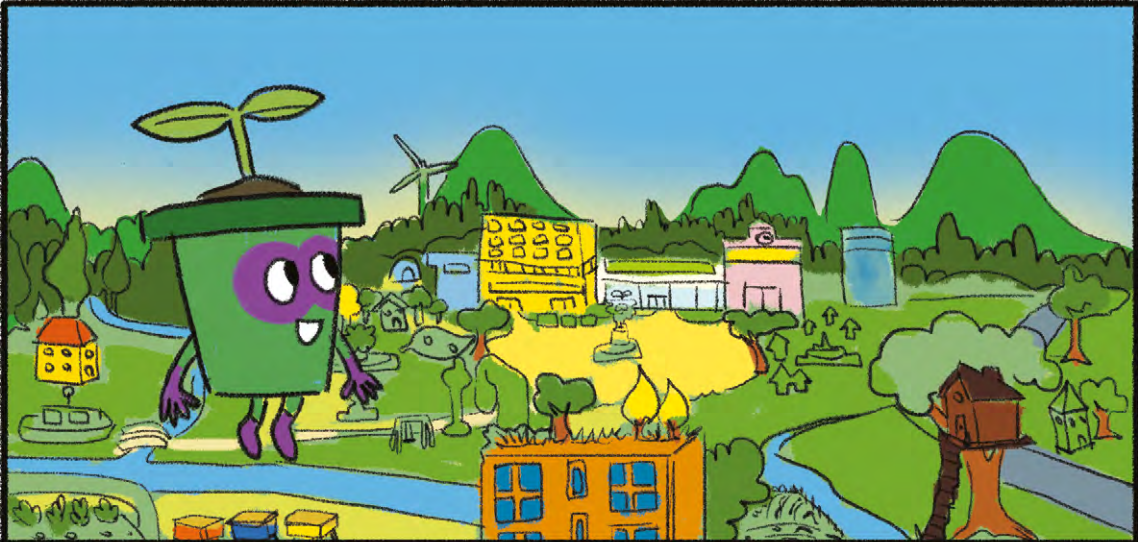

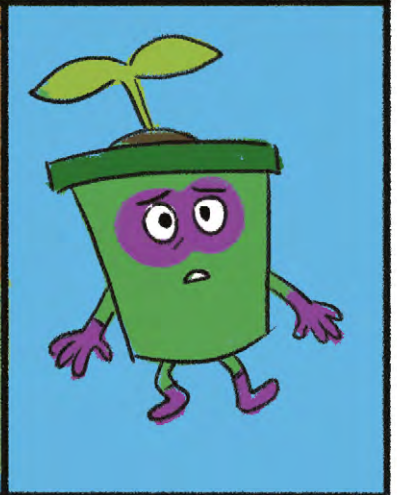

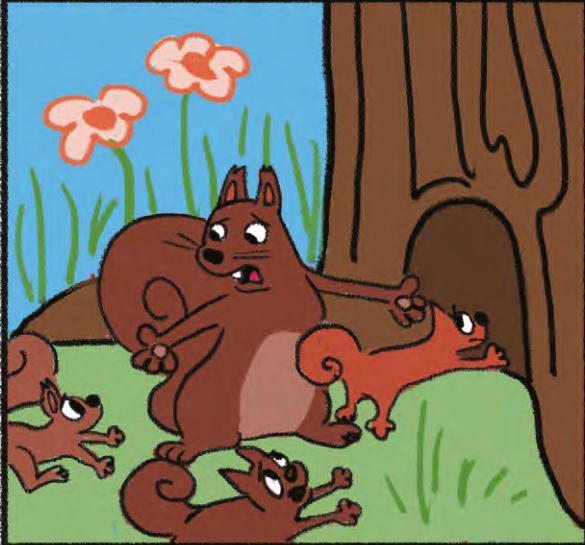

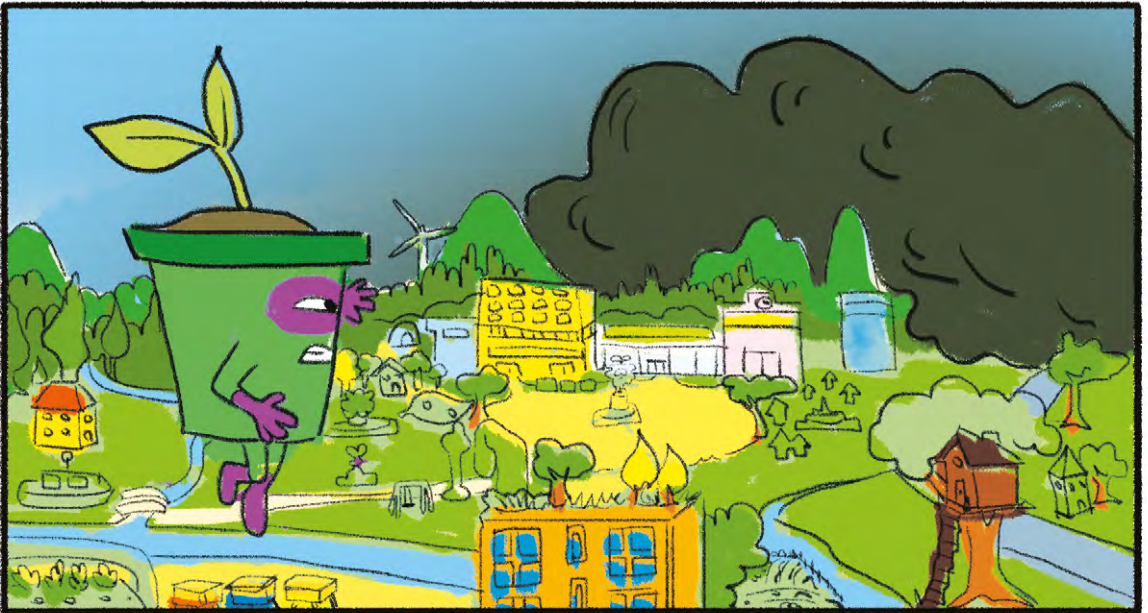

THE ADVENTURES OF

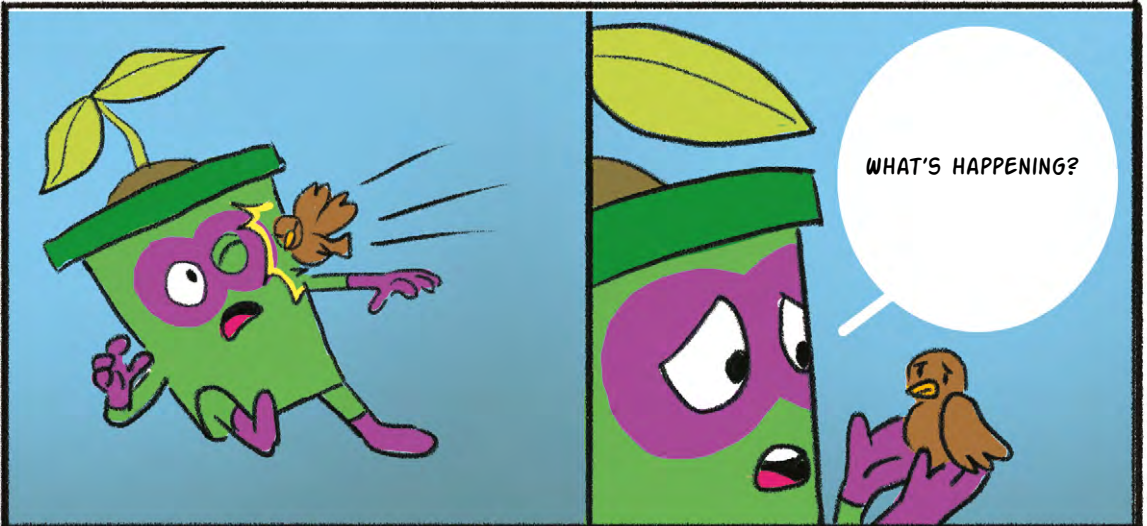

TERRIX

MISSION SUSTAINABILIA!

FROM AN IDEA BY SONIA BLASIOLI
COMIC BY CHIARA LEONE

WHAT'S HAPPENING?

THERE'S A STRANGE CLOUD,
WE NEED TO HELP EVERYONE ESCAPE!

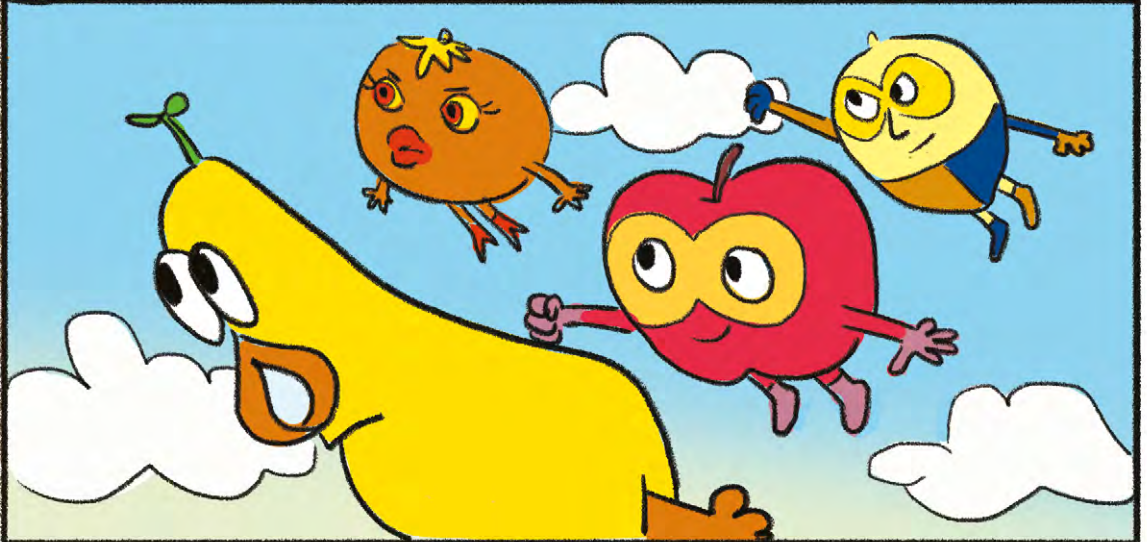

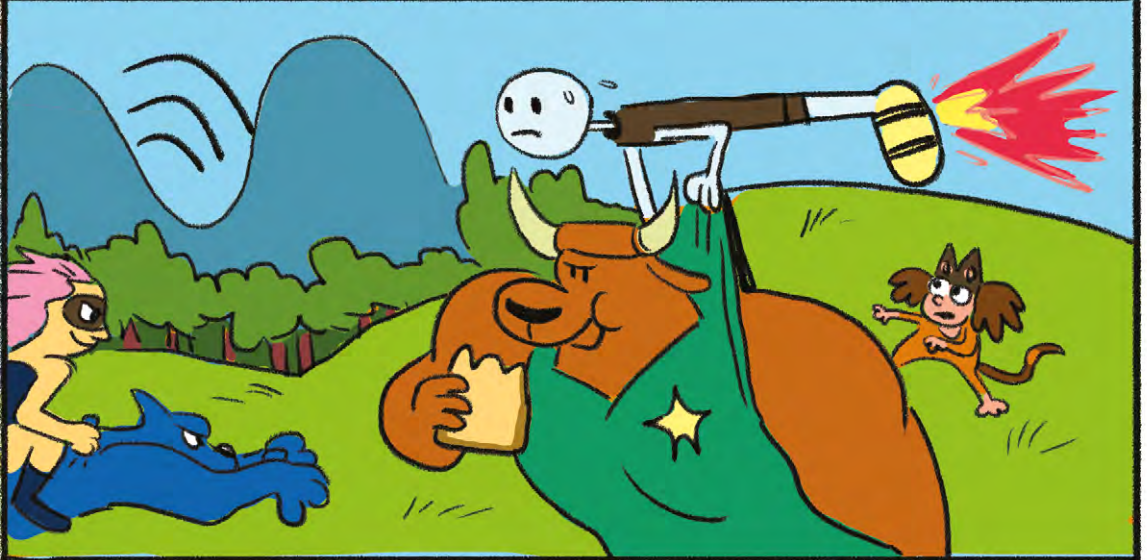

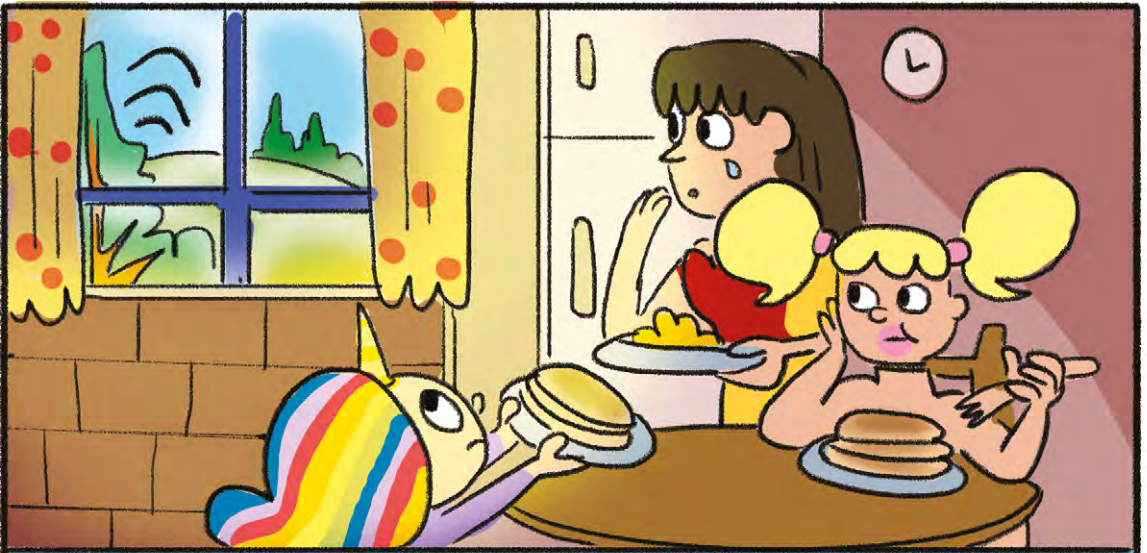

WE'LL COME BACK, I
PROMISE, BUT WE NEED TO
FIND HELP FIRST!

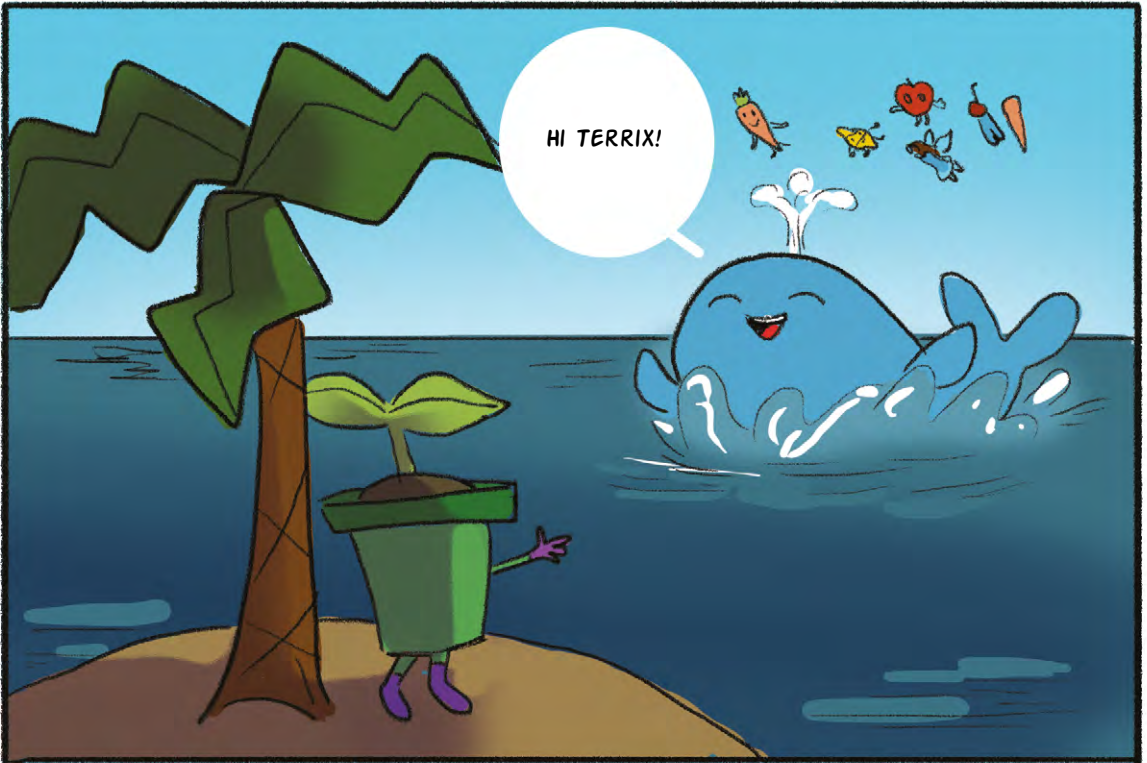

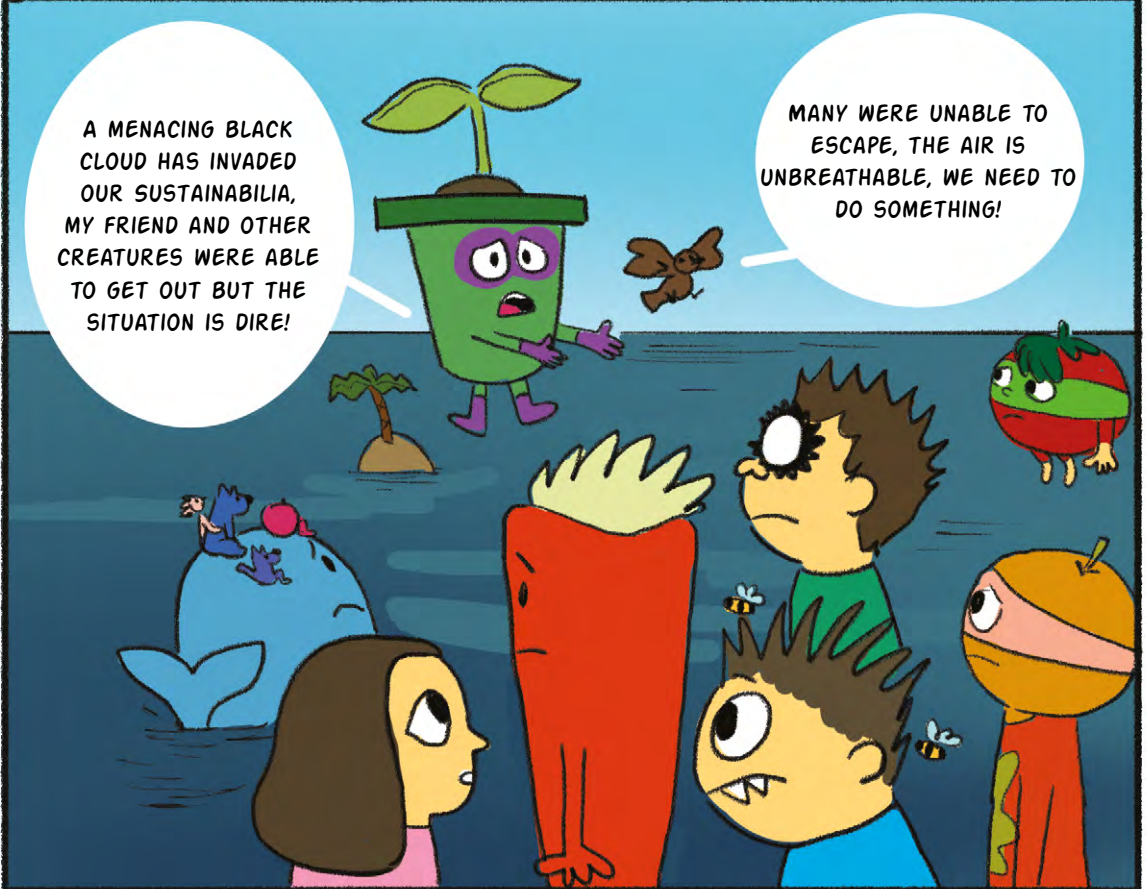

HELLO FRIENDS! THIS IS AN EMERGENCY, YOU ARE ALL SUMMONED TO MY BASE. I REPEAT THIS IS AN EMERGENCY!

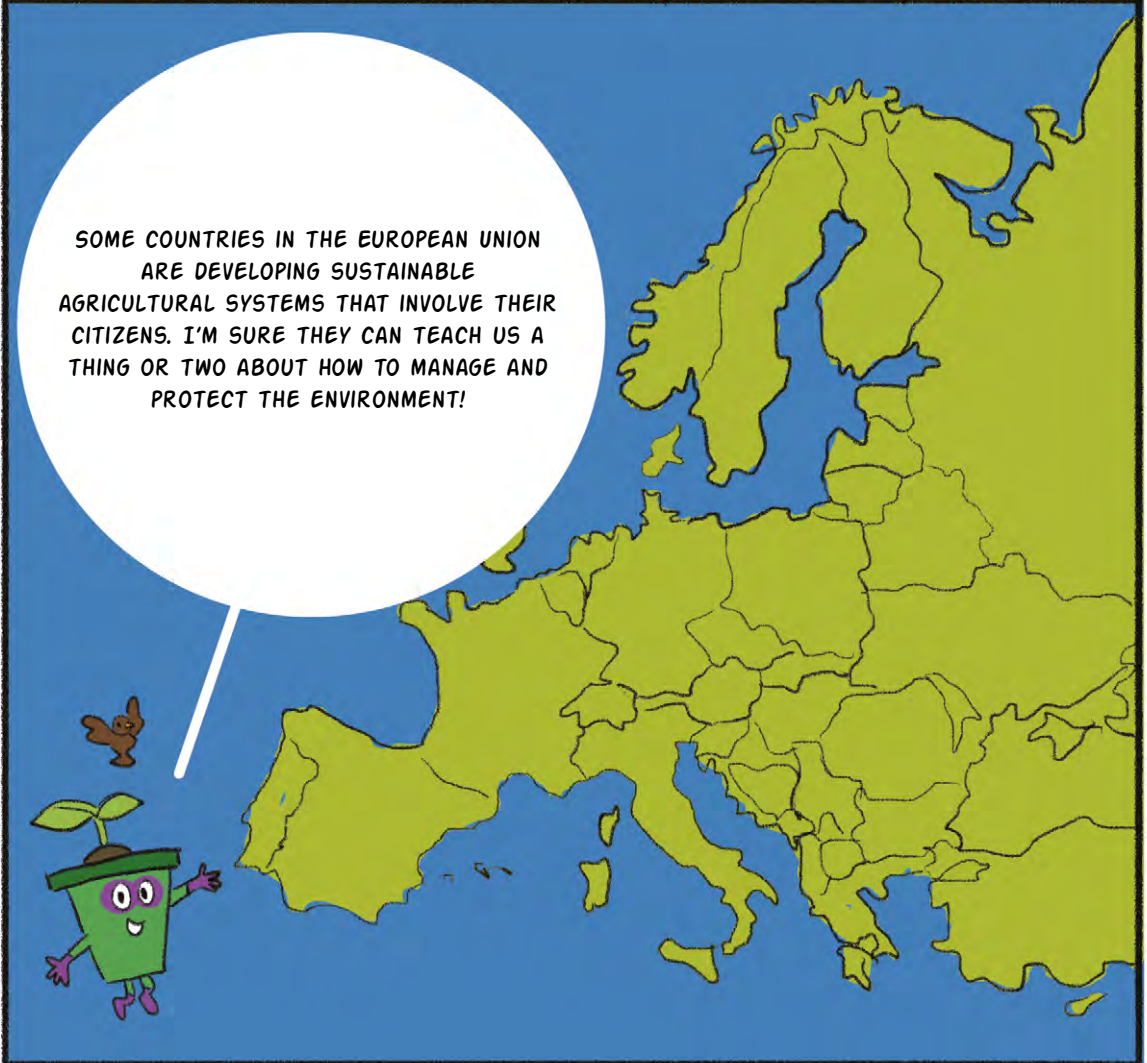

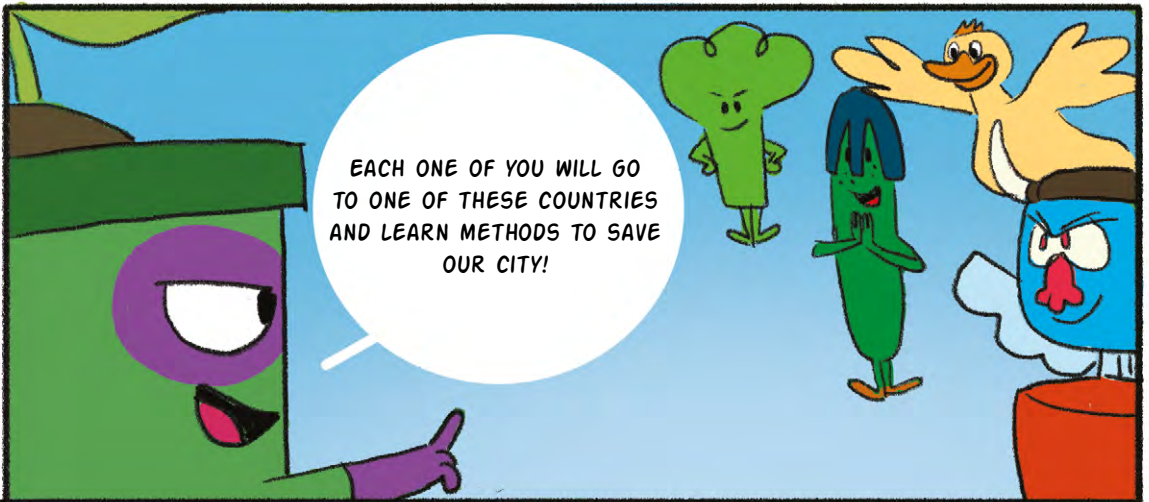

HI TERRIX!

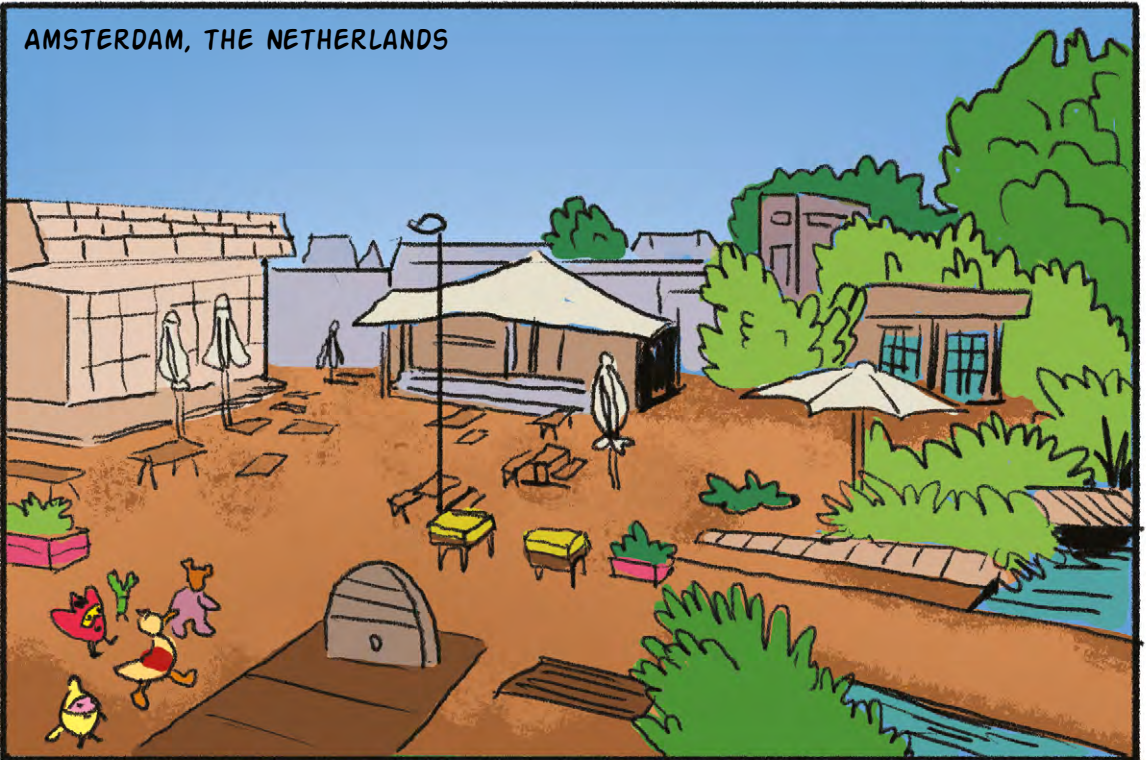

A MENACING BLACK CLOUD HAS INVADED OUR SUSTAINABILIA, MY FRIEND AND OTHER CREATURES WERE ABLE TO GET OUT BUT THE SITUATION IS DIRE!

MANY WERE UNABLE TO ESCAPE, THE AIR IS UNBREATHABLE, WE NEED TO DO SOMETHING!

AMSTERDAM, THE NETHERLANDS

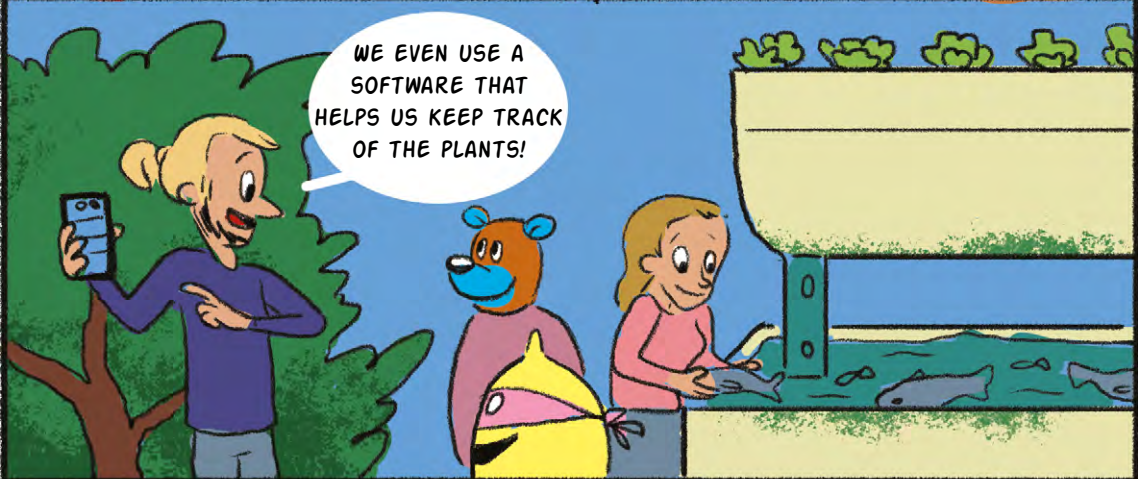

WE WORK ON CULTIVATION METHODS LIKE AQUAPONICS.

WE'RE ABLE TO PRODUCE EDIBLE FISH AND FLOWERS FOR THE LOCAL MARKET.

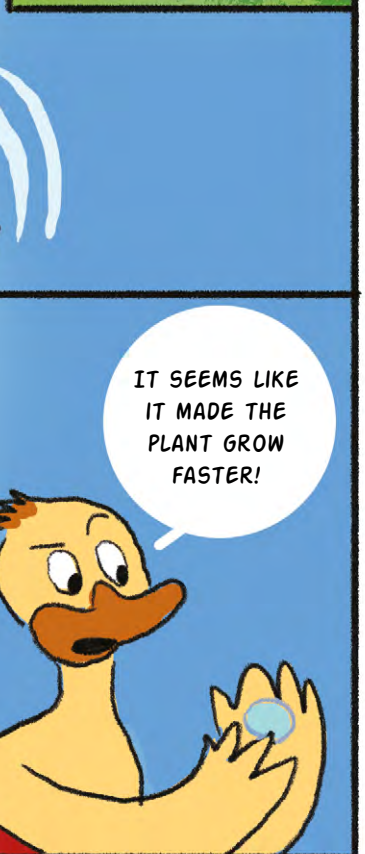

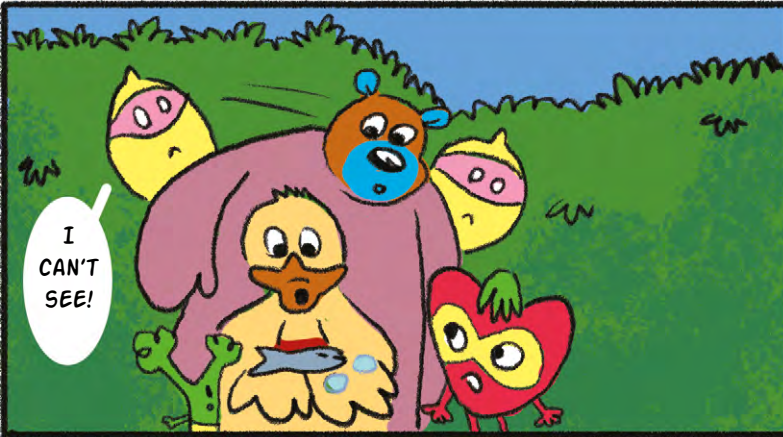

WE EVEN USE A SOFTWARE THAT HELPS US KEEP TRACK OF THE PLANTS!

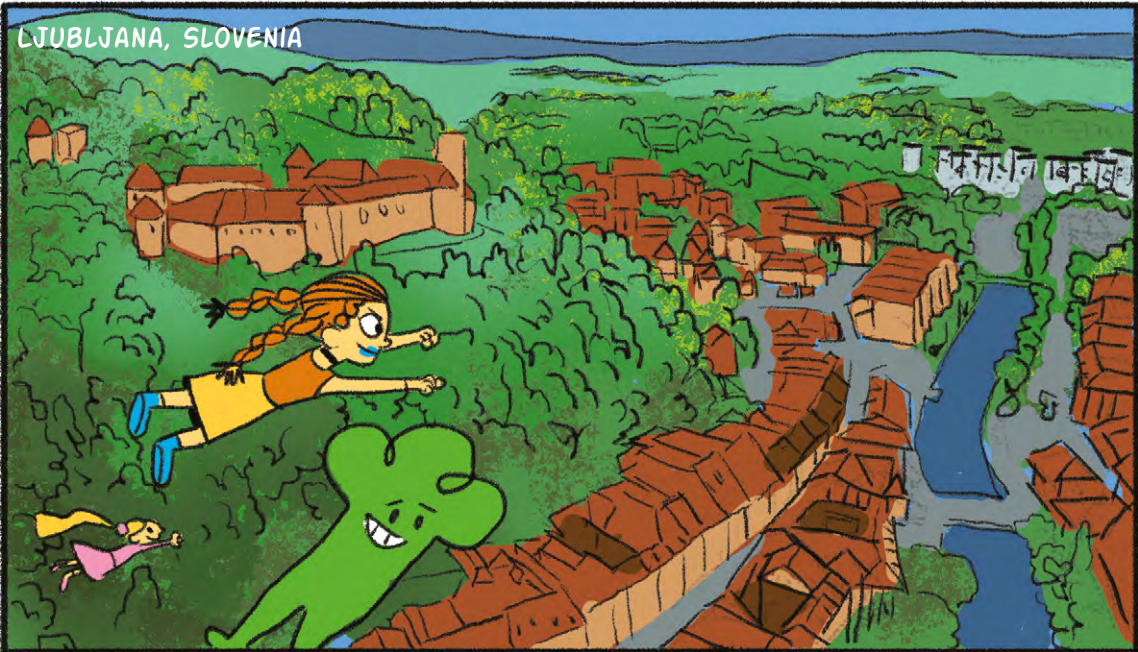

TASTE THIS! IT'S DELICIOUS!

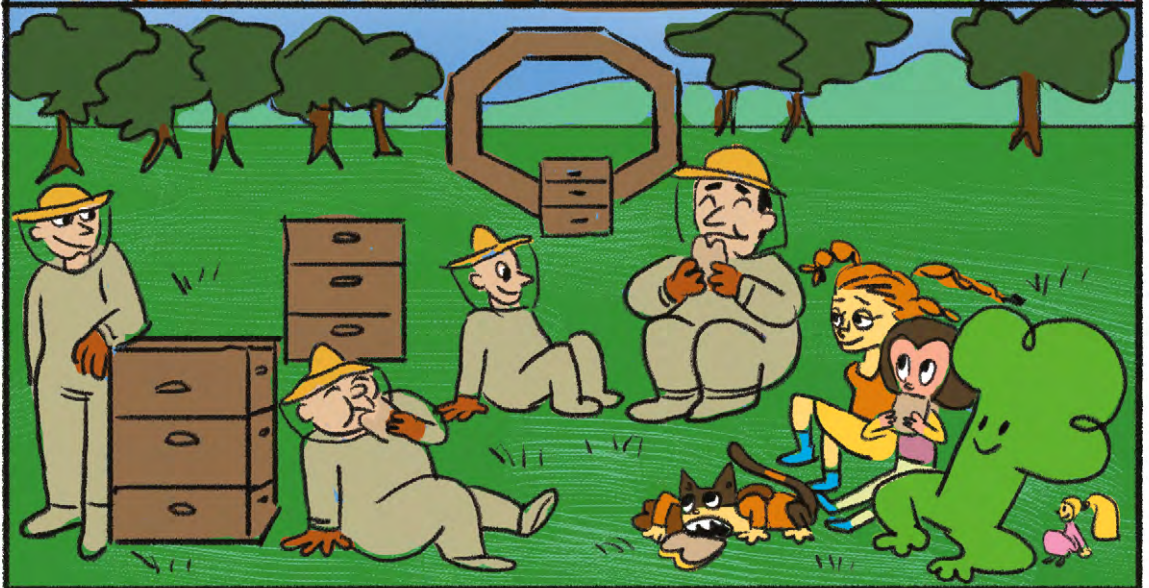

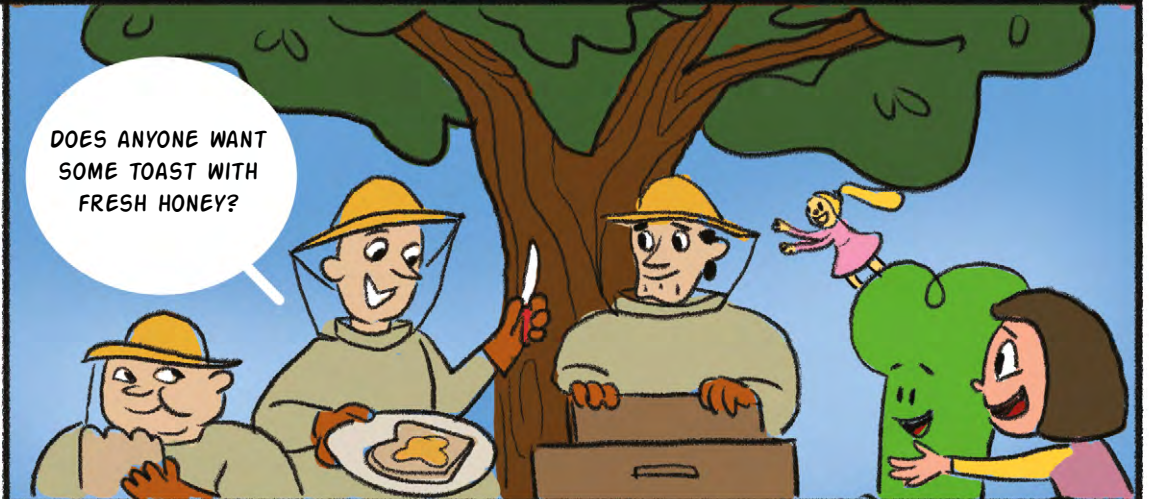

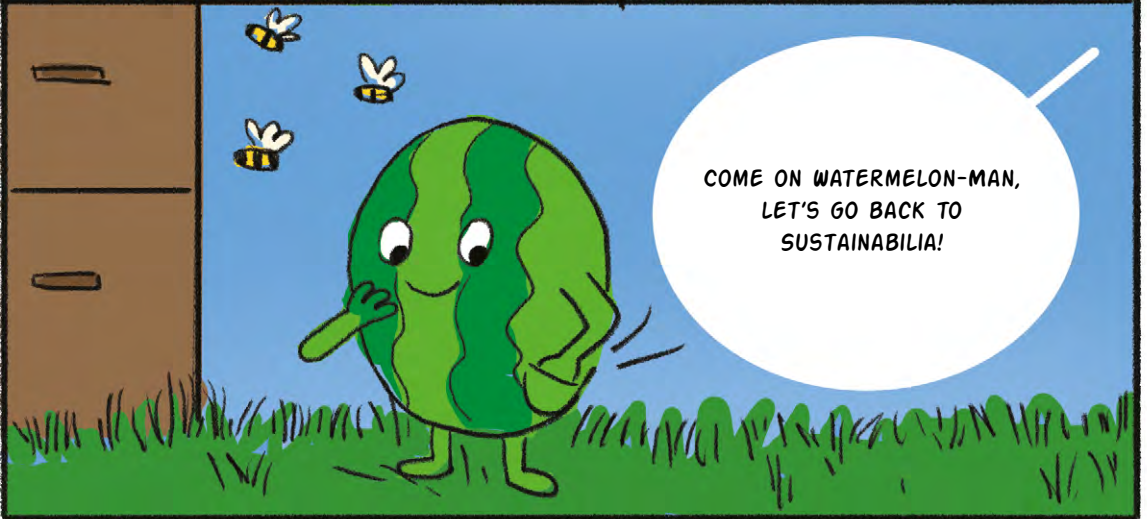

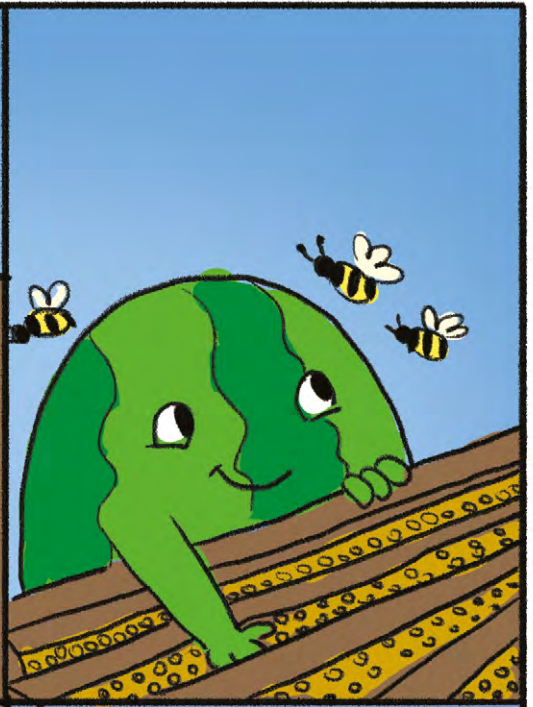

LOOK! THE FISH SPAT OUT TWO PEARLS!

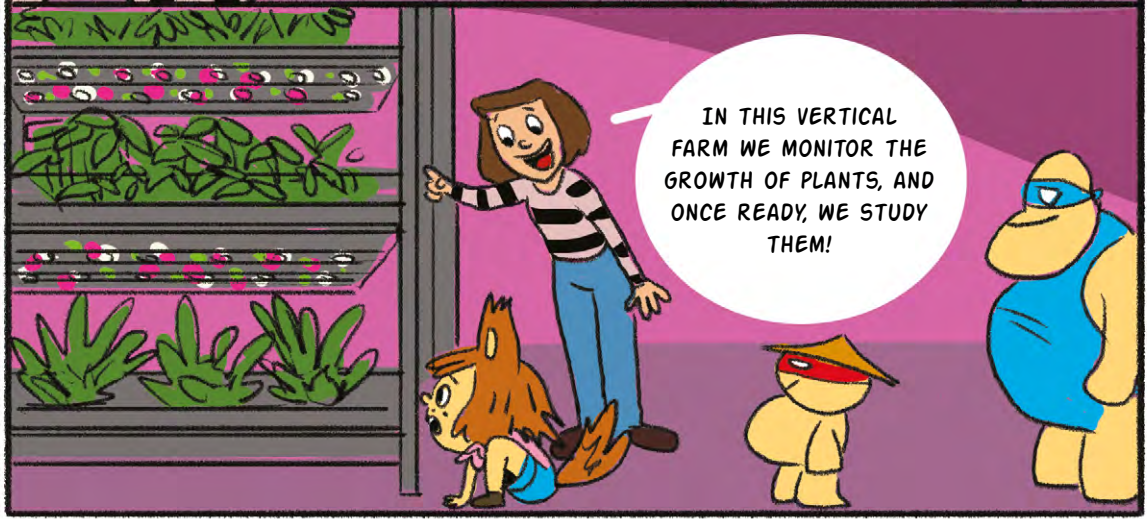

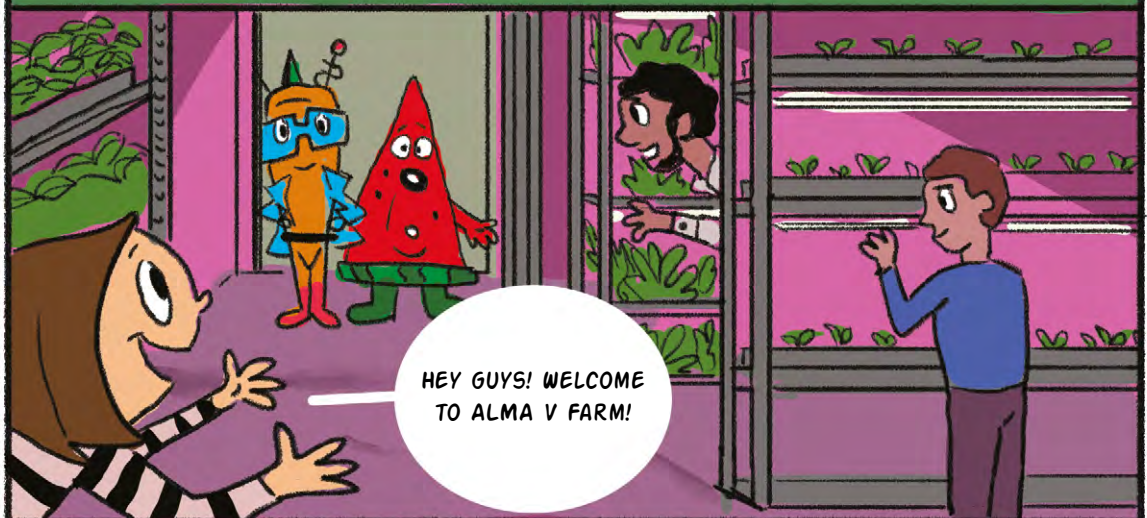

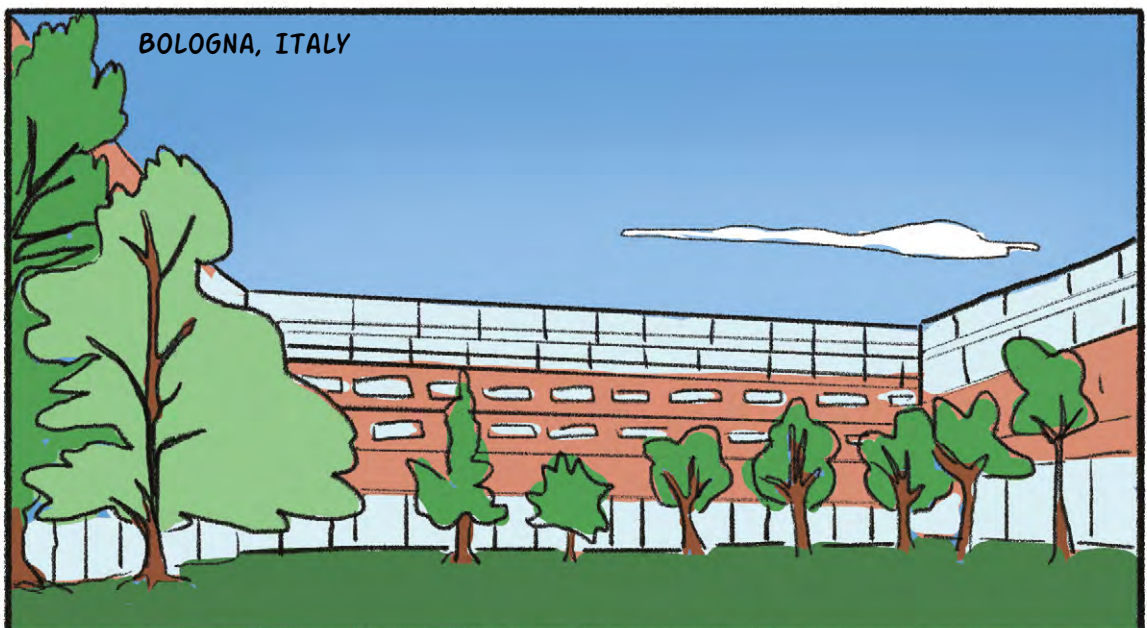

LJUBLJANA, SLOVENIA

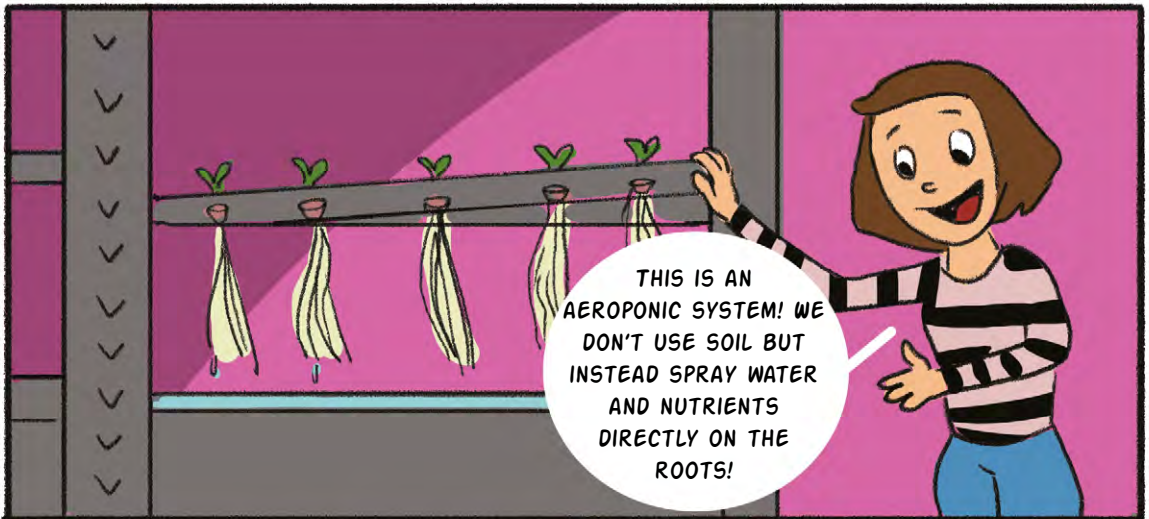

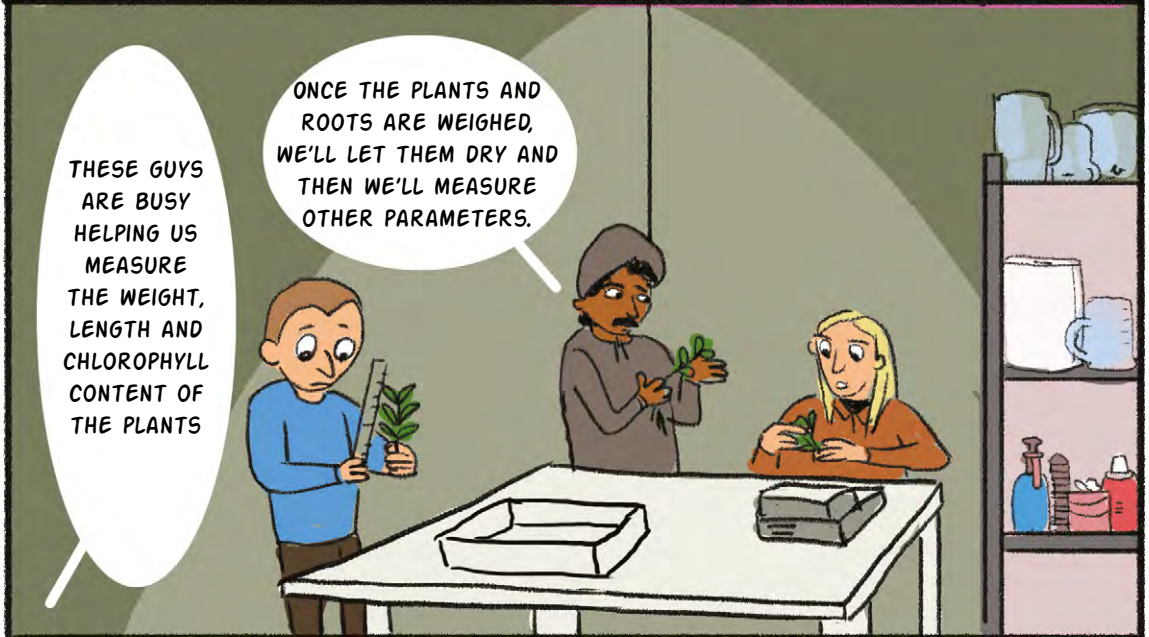

BOLOGNA, ITALY

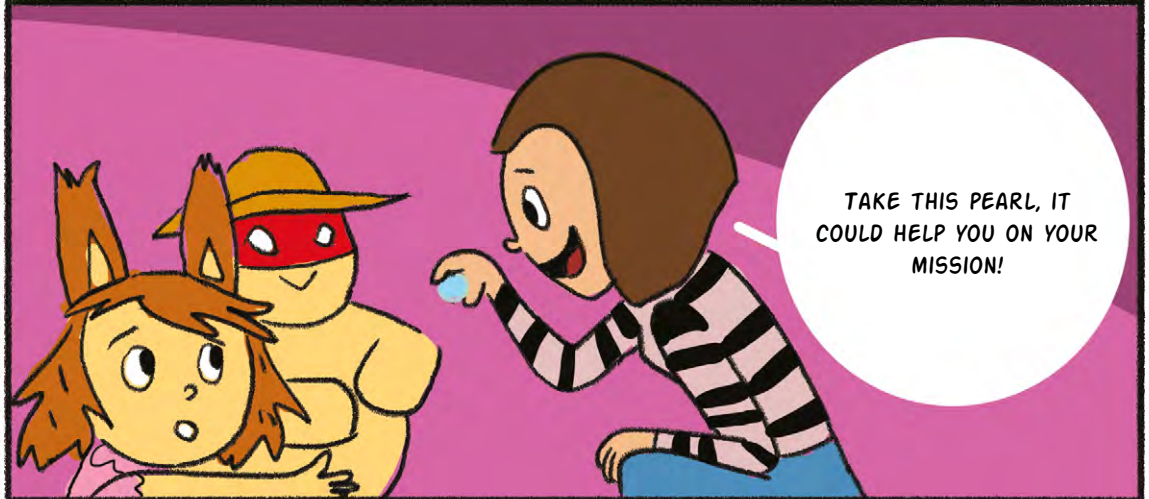

THIS IS AN AEROPONIC SYSTEM! WE DON'T USE SOIL BUT INSTEAD SPRAY WATER AND NUTRIENTS DIRECTLY ON THE ROOTS!

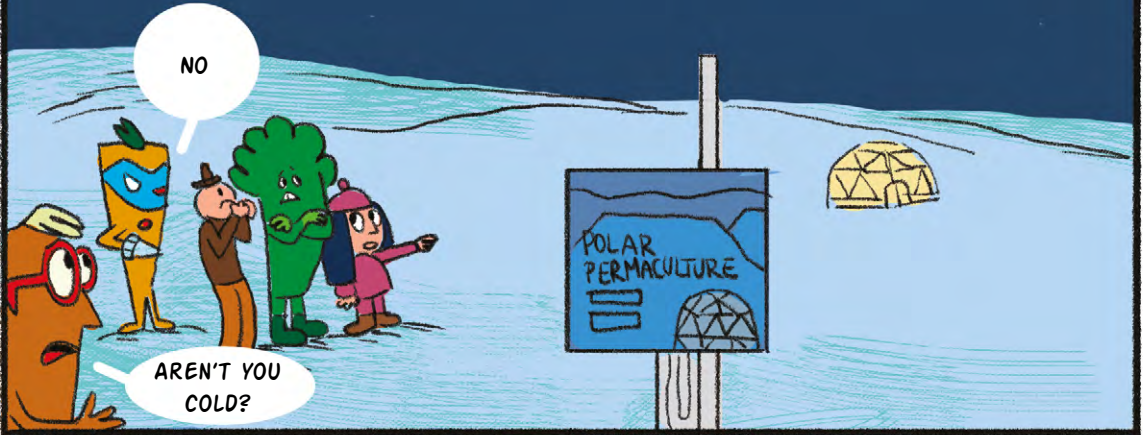

THESE GUYS ARE BUSY HELPING US MEASURE THE WEIGHT, LENGTH AND CHLOROPHYLL CONTENT OF THE PLANTS

ONCE THE PLANTS AND ROOTS ARE WEIGHED, WE'LL LET THEM DRY AND THEN WE'LL MEASURE OTHER PARAMETERS.

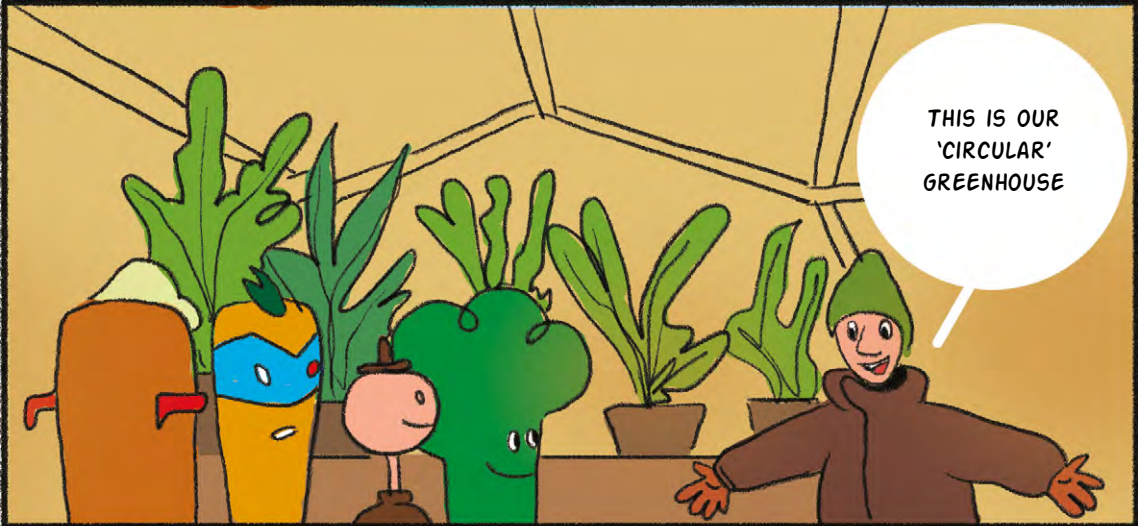

TAKE THIS PEARL, IT COULD HELP YOU ON YOUR MISSION!

LONGYEARBYEN, NORWAY

HELLO EVERYONE,
WELCOME!

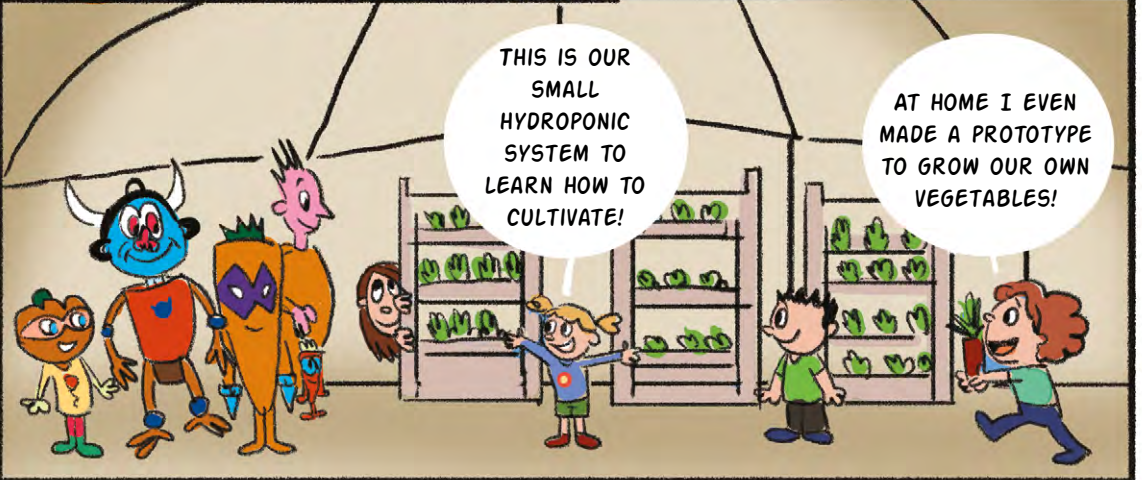

THIS IS OUR
'CIRCULAR'
GREENHOUSE

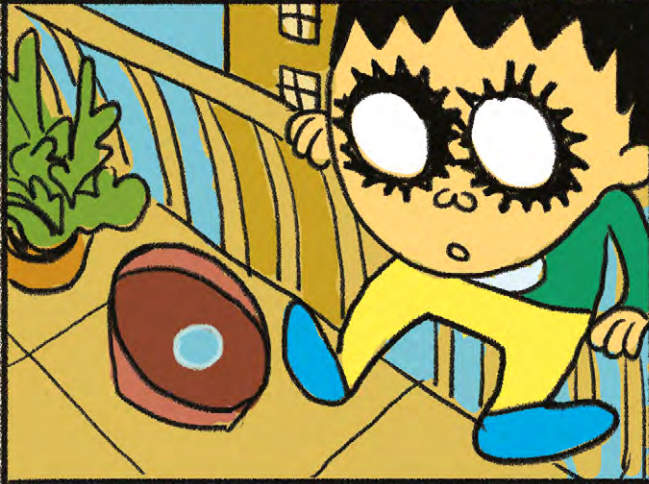

BASICALLY, WE
GATHER LEFTOVER
FOOD FROM LOCAL
RESTAURANTS AND
USE IT AS FERTILISER
FOR OUR PLANTS. AND
THEN SELL THE
PRODUCTS THAT WE
GROW BACK TO THE
RESTAURANTS TO NOT
WASTE ANYTHING!

OSLO, NORWAY

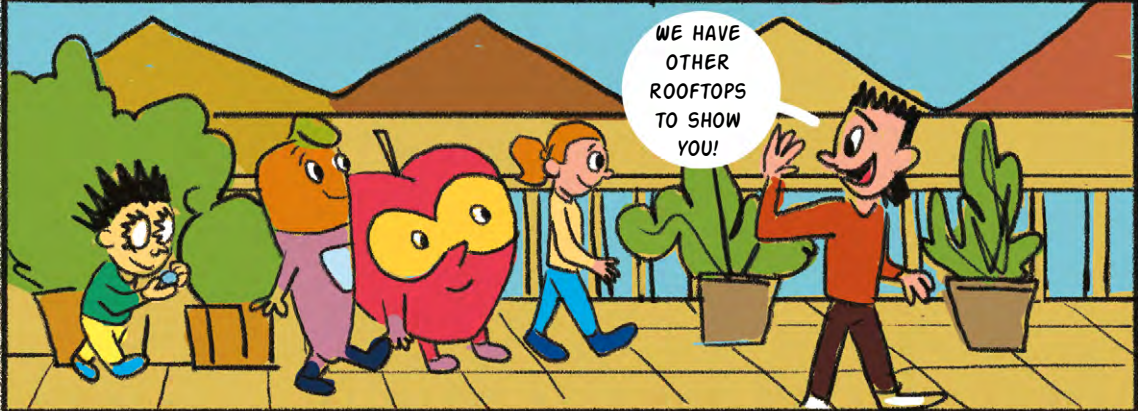

OSLO, NORWAY

WE'RE STUDENTS AND THANKS TO THE SOCIAL AND URBAN AGRICULTURE INTEGRATION PROJECT, WE WERE ABLE TO BUILD THIS VEGETABLE GARDEN ON THE ROOF OF OUR SCHOOL!

WE HAVE OTHER ROOFTOPS TO SHOW YOU!

BERLIN, GERMANY

HERE, WE DON'T WASTE ANY WATER. IN FACT, ALL THESE PLANTS ARE WATERED WITH PURIFIED WASTEWATER!

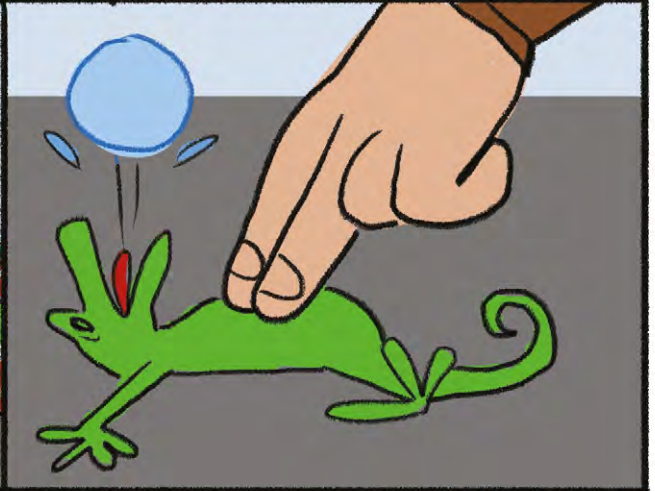

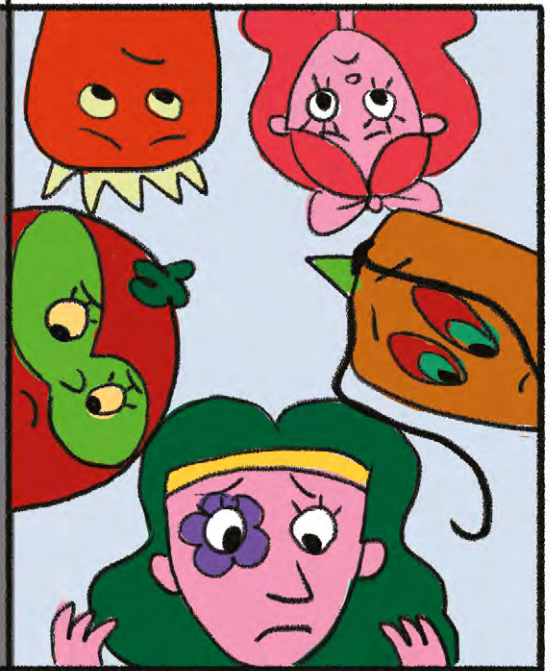

ALSO, OUR PURIFIED WATER IS SENT BACK TO THE RESIDENTS FOR ANY DOMESTIC USE THEY WISH!

WHAT ARE YOU UP TO, MAX?

MEANWHILE IN SUSTAINABILIA!

TAKE THEM TO THE BASE, I'M GOING BACK TO LOOK FOR THE OTHERS!

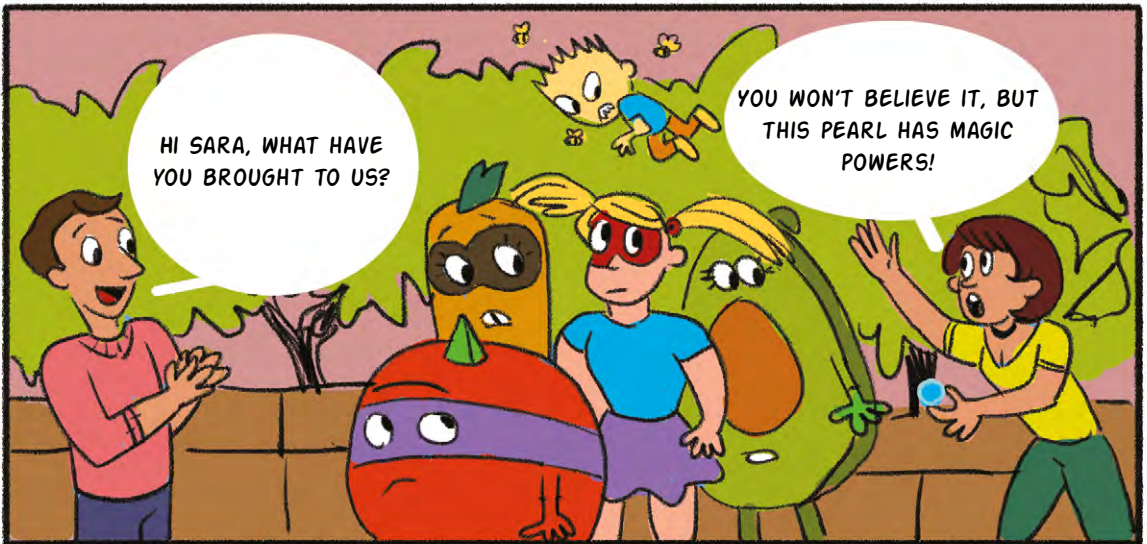

THIS WAS OUR LAST LITTLE FRIEND LEFT IN THE CITY, LET'S HOPE WE FIND A SOLUTION SOON!

...IN LANSINGERLAND, THE NETHERLANDS

OUR SUSTAINABLE CITY IS IN DANGER,
HELP US!

QUICKLY! WE DON'T
HAVE MUCH TIME!

HERE IN LANSINGERLAND,
WE HAVE ONE OF THE
LARGEST GREENHOUSES
IN EUROPE. WE TEACH
LOCAL FARMERS HOW TO
CULTIVATE INDOORS.

OSLO, NORWAY

WE WORK ON THE CULTIVATION AND DISTRIBUTION OF MICROGREENS!

WHAT ARE THESE PRETTY BALLS?

THEY CAME FROM NOWHERE, I THINK THEY'RE THE PRODUCT OF OUR EFFORTS HAHHAHA!

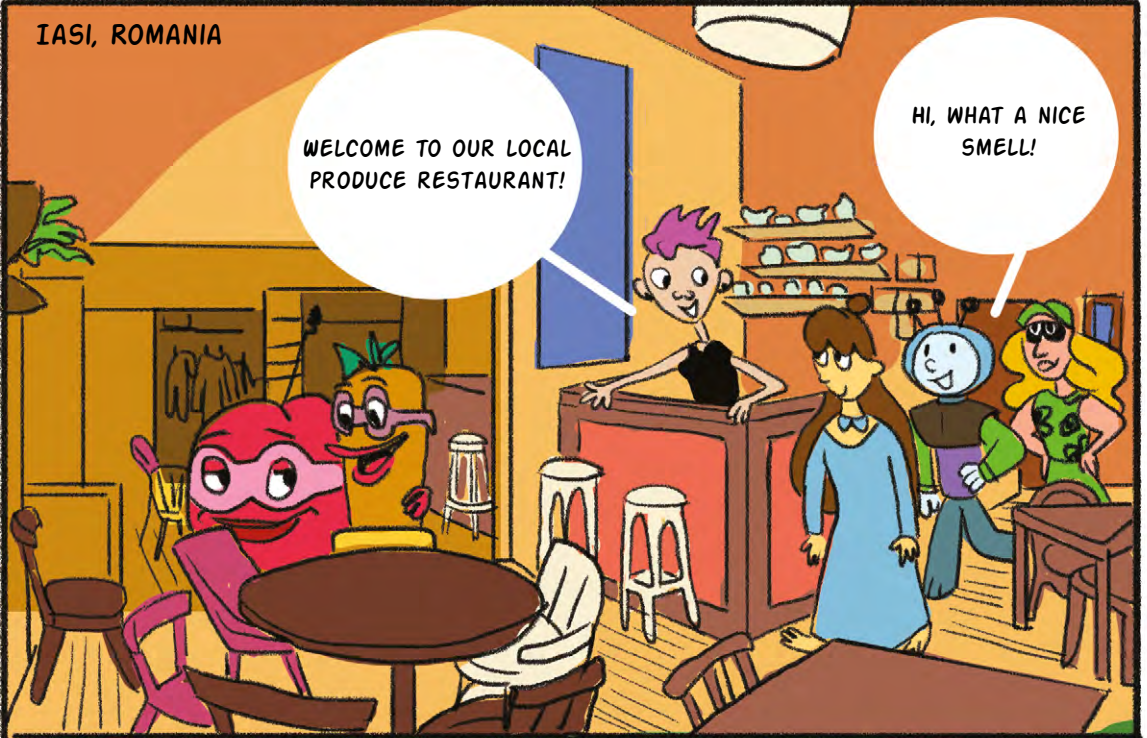

YOU CAN TAKE AS MANY AS YOU WANT BACK HOME WITH YOU, AND YOU CAN ALSO TAKE SOME OF OUR MICROGREENS TO MAKE YOURSELVES A NICE SALAD!

IASI, ROMANIA

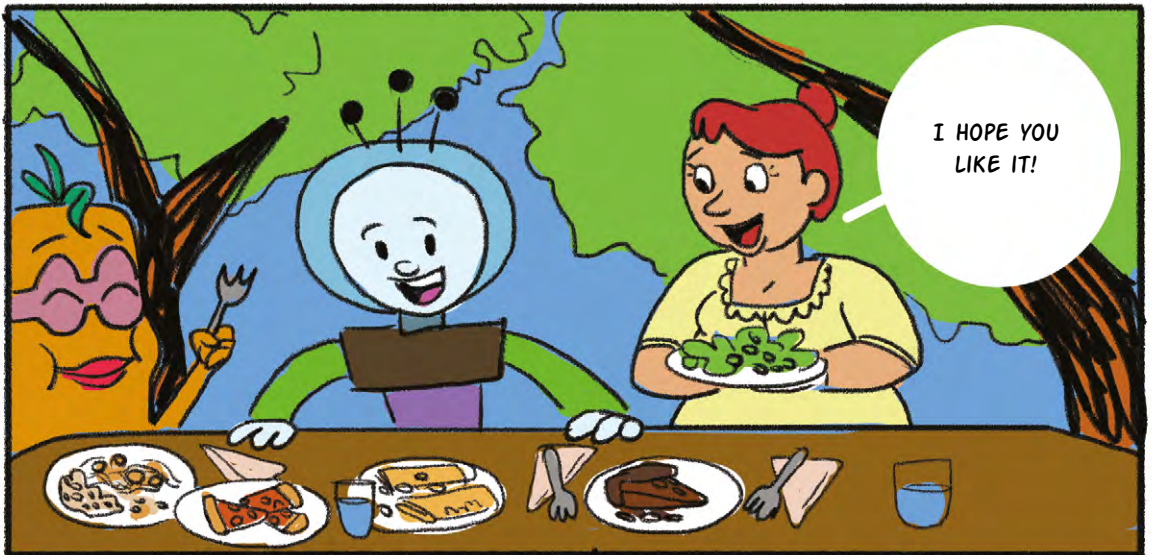

WELCOME TO OUR LOCAL
PRODUCE RESTAURANT!

HI, WHAT A NICE
SMELL!

ALL OUR PRODUCE IS
SEASONAL SO TO REDUCE
OUR ECOLOGICAL
FOOTPRINT!

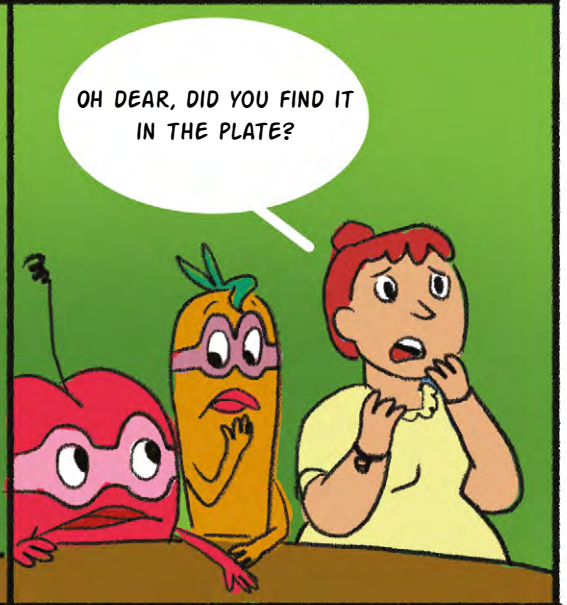

I HOPE YOU LIKE IT!

OUCH, WHAT'S THIS?

OH DEAR, DID YOU FIND IT IN THE PLATE?

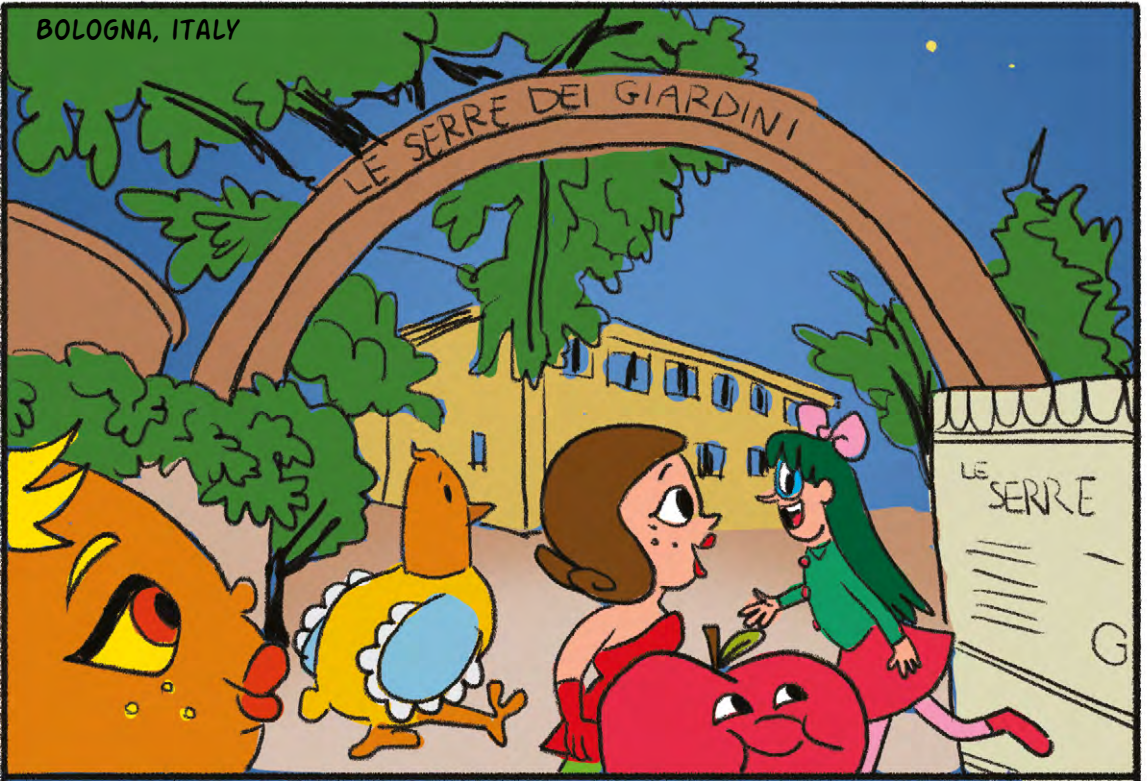

I ALSO FOUND ONE!

THE MEALS WERE STILL DELICIOUS!

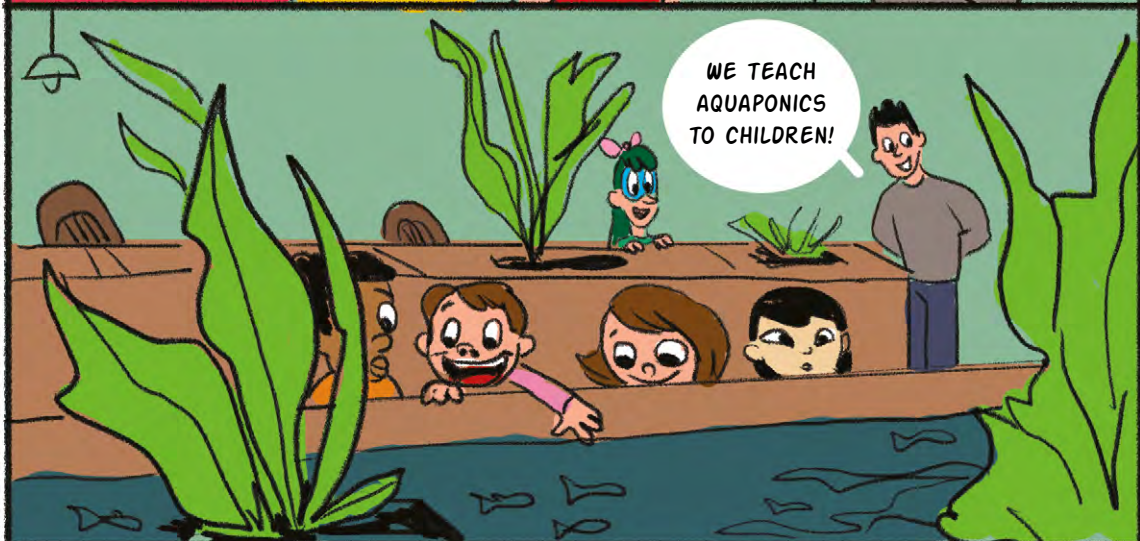

EXACTLY, WE'LL EAT EVERYTHING, NO LEFTOVERS!

BOLOGNA, ITALY

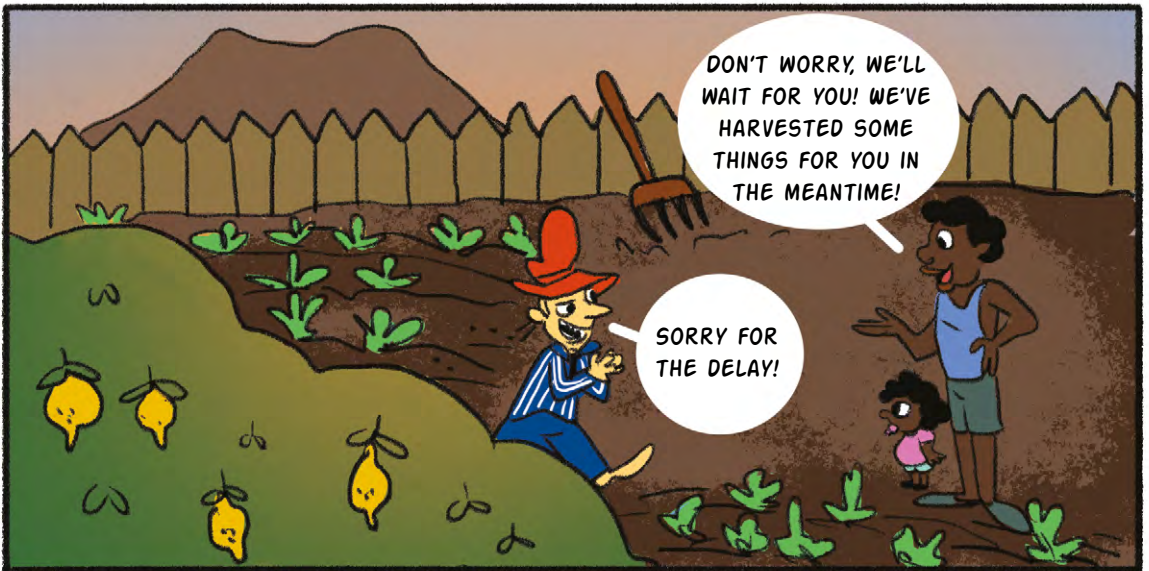

THERE YOU ARE! WE'VE BEEN
WAITING FOR YOU!
WELCOME TO THE MOTHER
GREENHOUSE OF BOLOGNA!

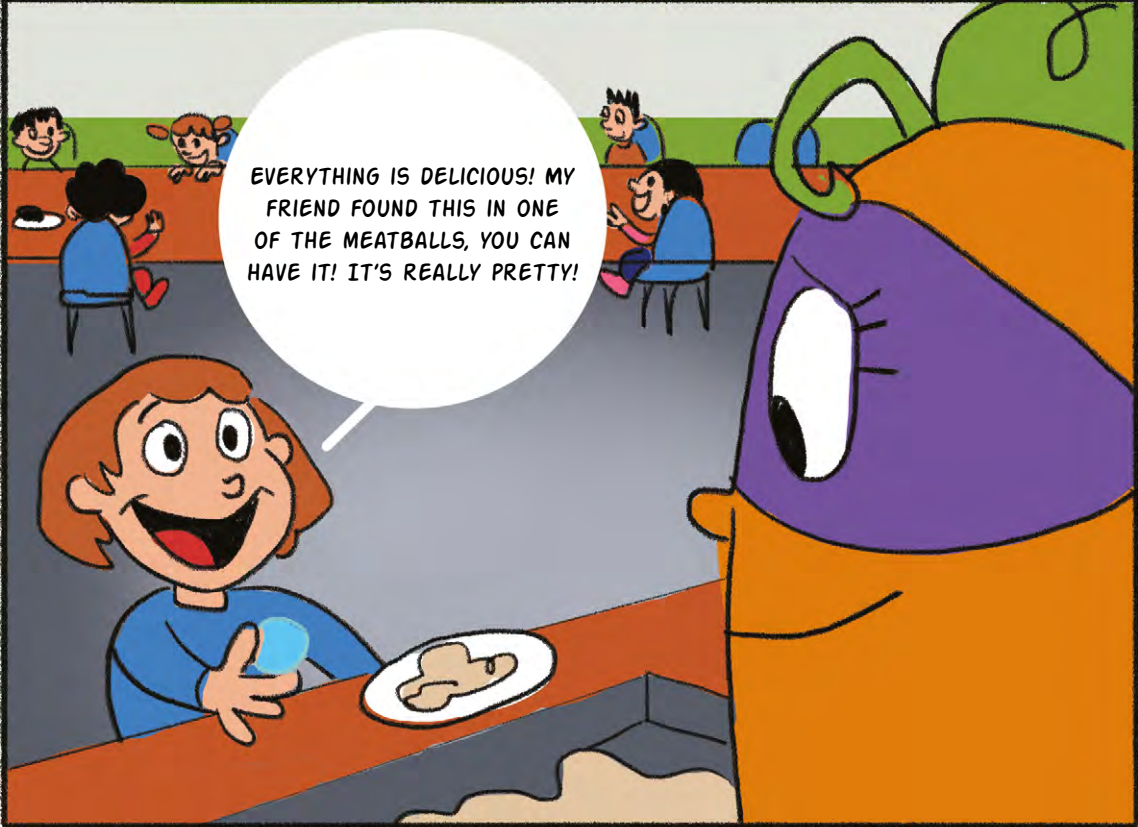

NAPLES, ITALY

TENERIFE, SPAIN

SABADELL, SPAIN

WE WORK ON THIS FIELD
THAT WAS ONCE FOR AN
AIRPORT!

WE PRODUCE AND SELL
OUR SEASONAL
PRODUCTS EXCLUSIVELY
TO LOCAL MARKETS!

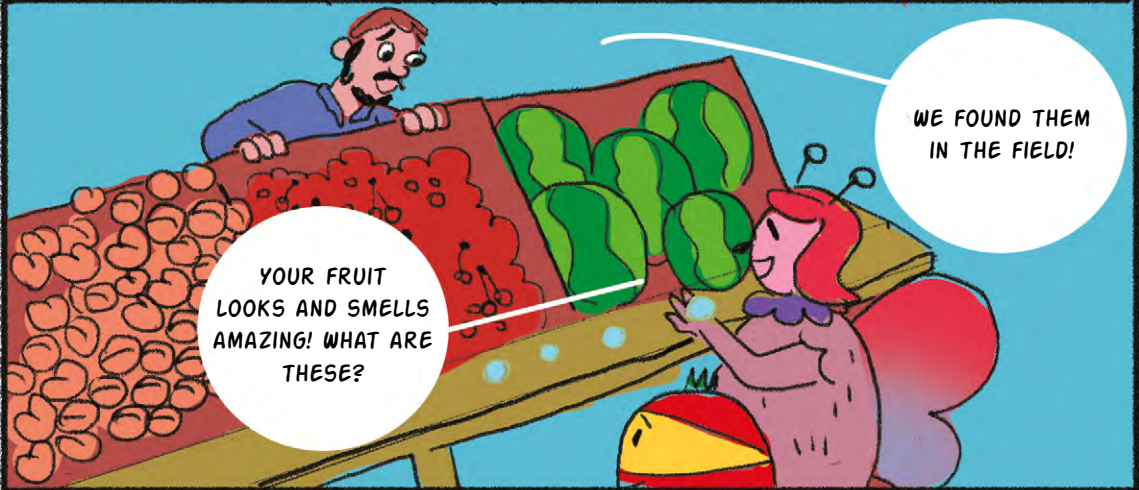

NAPLES, ITALY

WE'RE HERE!

WE FOUND THEM
IN THE FIELD!

YOUR FRUIT
LOOKS AND SMELLS
AMAZING! WHAT ARE
THESE?

THERE'S STILL
A LOT TO BE DONE
BUT WE'RE ALREADY
LOOKING FOR
WORKERS TO HELP
US!

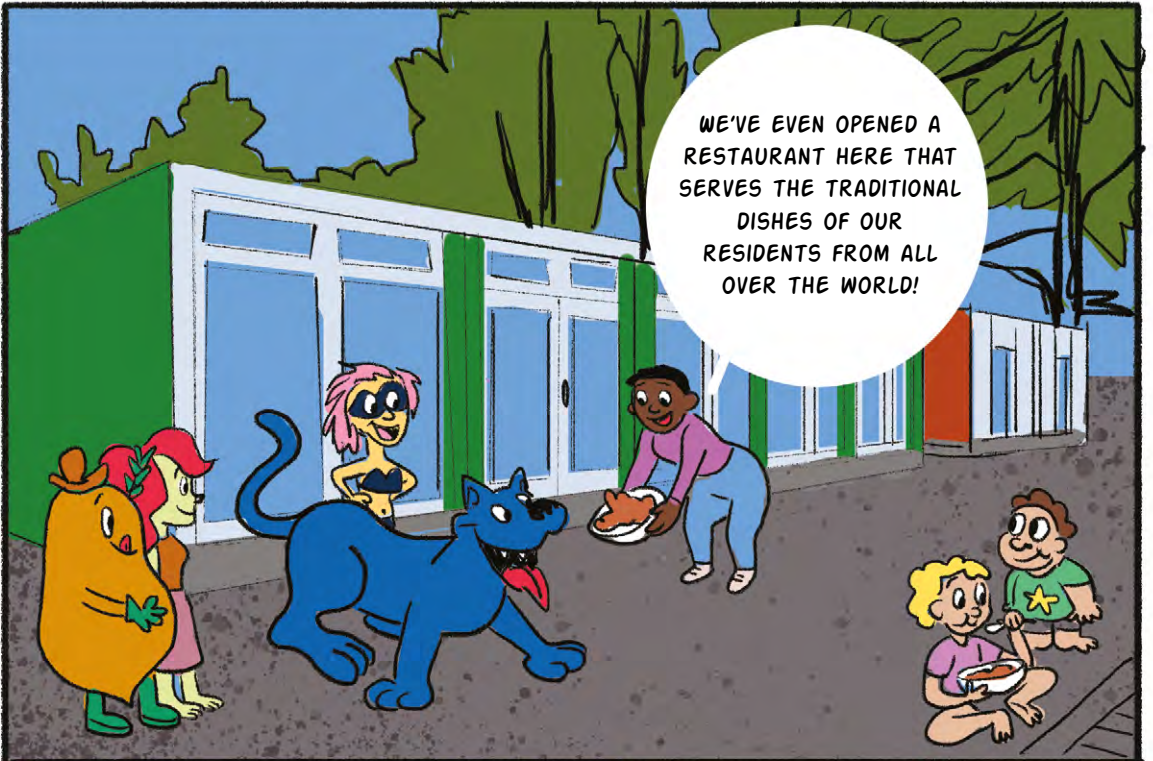

BOLOGNA, ITALY

HEY!

THIS VEGETABLE GARDEN IS OURS, WE MANAGE IT TOGETHER!

WE'VE EVEN OPENED A RESTAURANT HERE THAT SERVES THE TRADITIONAL DISHES OF OUR RESIDENTS FROM ALL OVER THE WORLD!

YOU EVEN GROW MUSHROOMS HERE?

IF YOU WANT IT, TAKE IT, IT'S YOURS!

ROMAINVILLE, FRANCE

CITE

COME ON GUYS, KEEP YOUR HEADS UP! WE HAVEN'T LOST YET!

WE SELL OUR PRODUCTS AT AFFORDABLE PRICES!

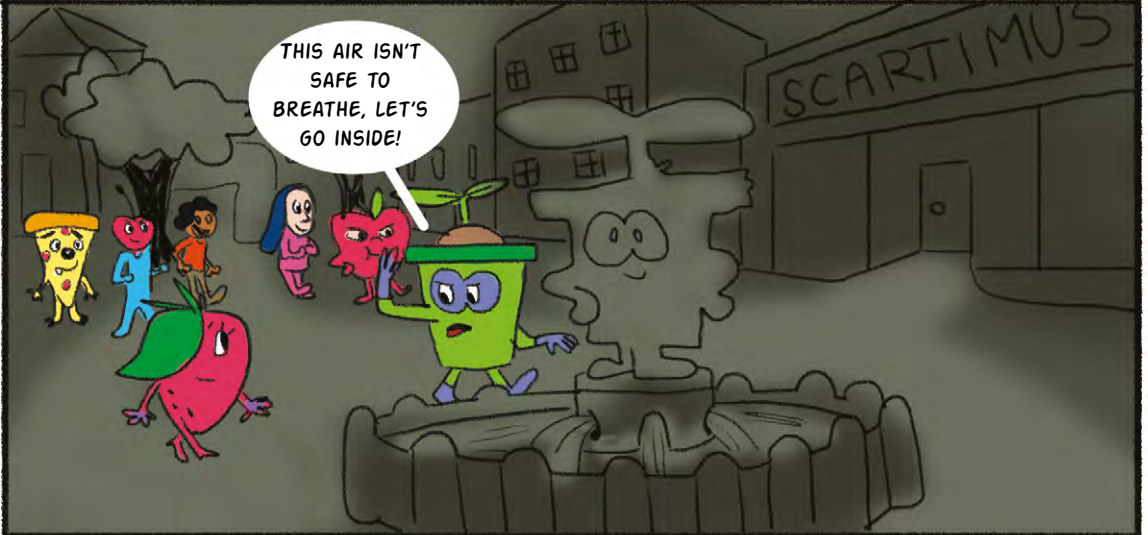

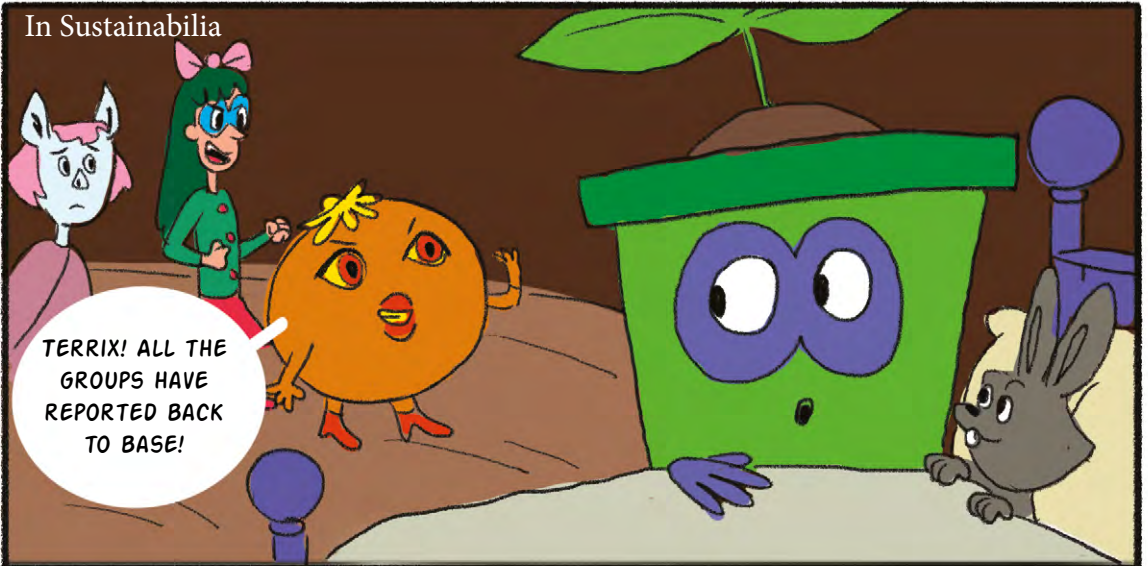

WE CULTIVATE PLANTS IN CRATES WITHOUT CHEMICAL AGENTS USING WASTE PRODUCTS!

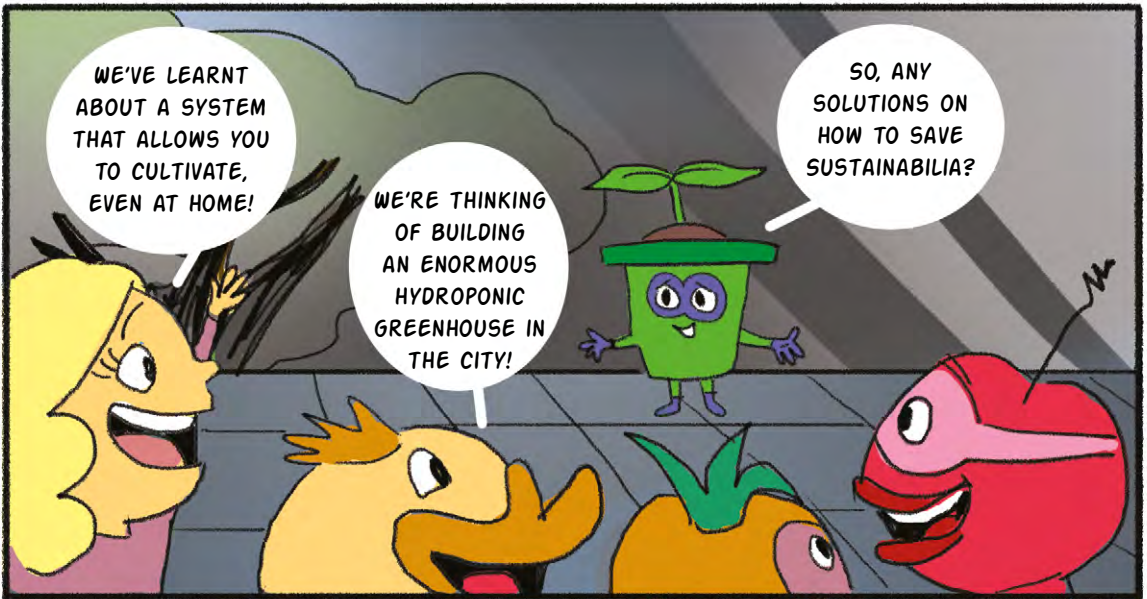

ALL THE FRUITS AND VEGETABLES ARE SEASONAL!

JACKPOT!

WE'VE LEARNT ABOUT A SYSTEM THAT ALLOWS YOU TO CULTIVATE, EVEN AT HOME!

WE'RE THINKING OF BUILDING AN ENORMOUS HYDROPONIC GREENHOUSE IN THE CITY!

SO, ANY SOLUTIONS ON HOW TO SAVE SUSTAINABILIA?

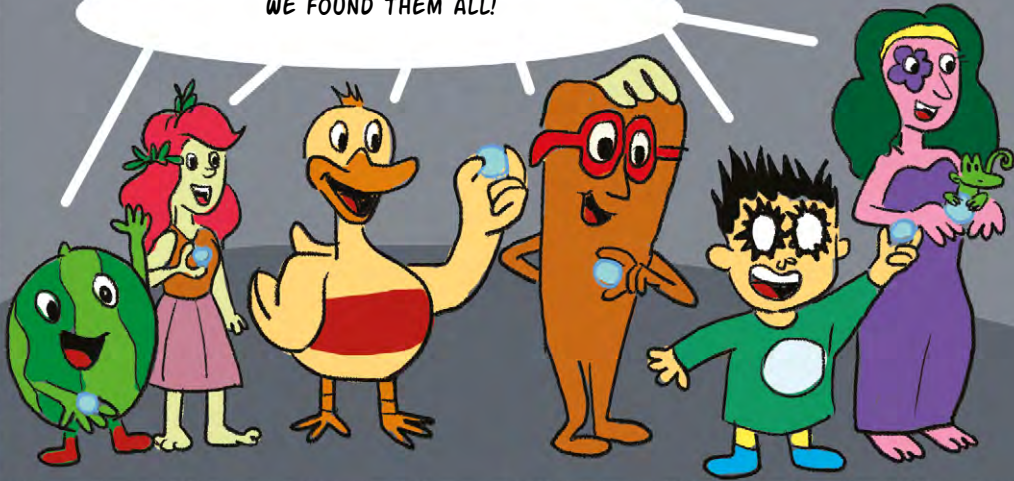

THERE MUST BE A QUICKER WAY!

WE FOUND THESE SPHERES... THEY ARE THE PRODUCT OF THE EFFORTS MADE BY ALL THE PEOPLE WHO CARE FOR THE ENVIRONMENT!

WE FOUND THEM ALL!

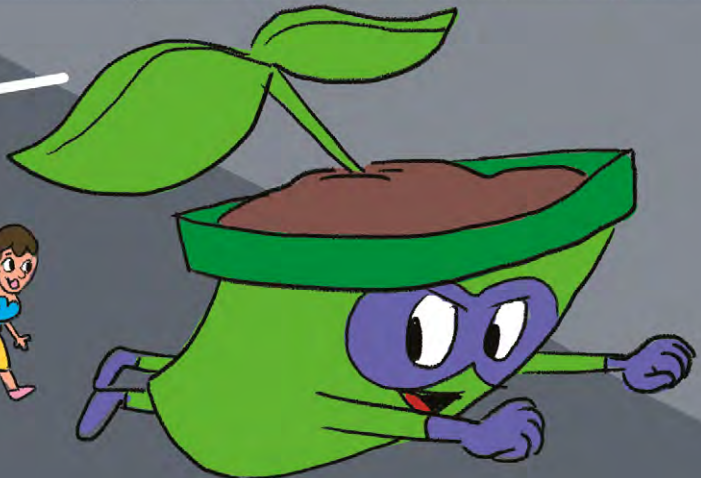

BUT TERRIX, WHAT ARE WE GOING TO DO? ALL THE PLANTS ARE DEAD, THERE'S NOTHING THAT WE CAN GROW!

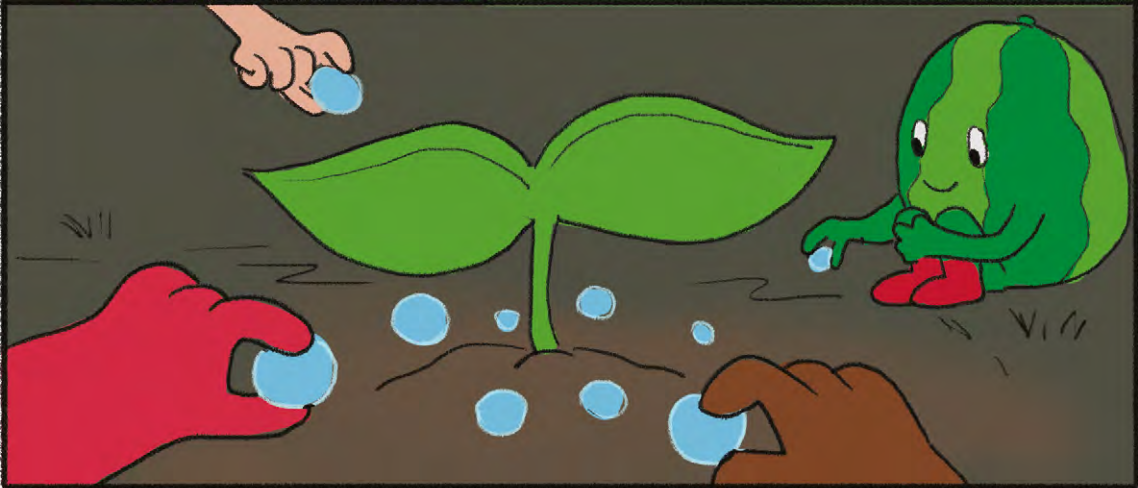

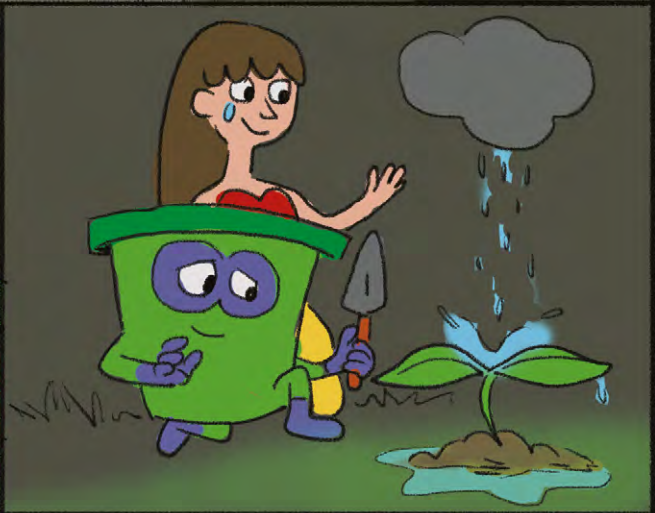

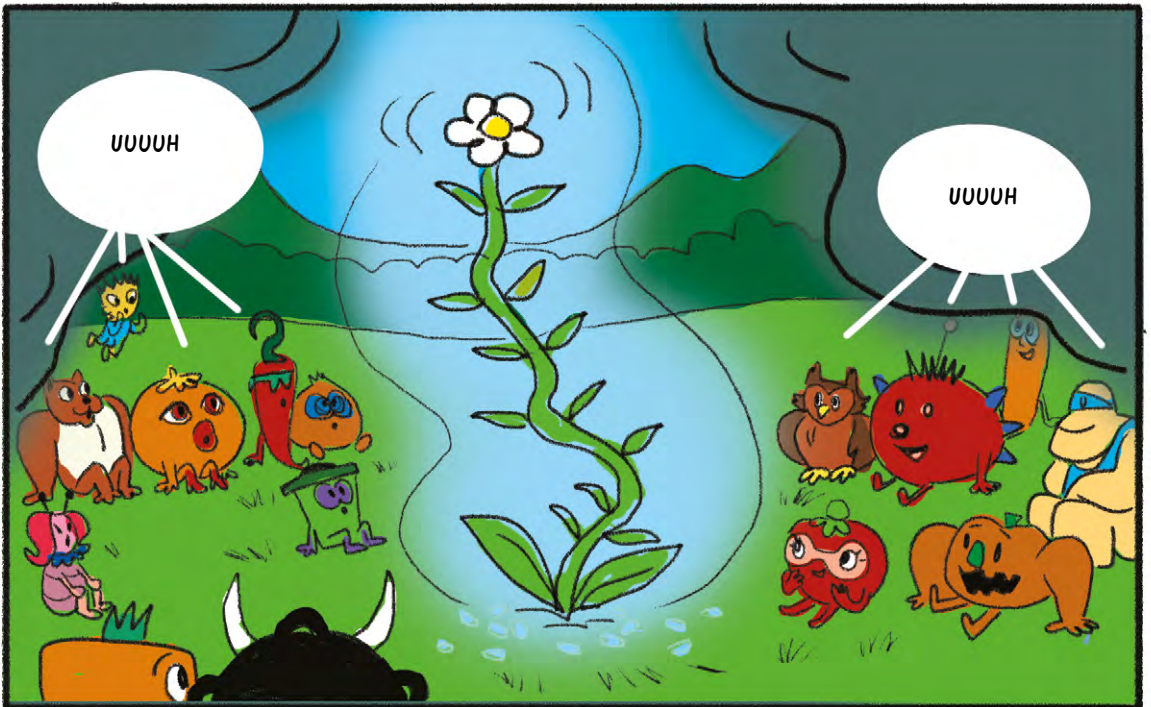

I'VE GOT AN IDEA!

FOLLOW ME!

MISSION COMPLETED,
GUYS! WE'VE SAVED
SUSTAINABILIA!
